OUR LOGO

The **Joe T. Robinson Middle School Senators** logo is key to our brand's identity. Through consistent use, it will become a visual representation of the school.

There are two approved versions of the Joe T. Robinson Middle School logo - the Joe T. Robinson young Senator and the "Old English R."

We may use the "R" logo when distributing messages that are school-specific and not in conjunction with the other Robinson feeder schools. However, when the entire feeder and/or the three Robinson schools are together in a similar format or communication distribution, the individual senator-style logos must be used. Examples of group communication include websites and social media.

Color

Wherever it is practical, and particularly on-screen, it is best to use the full-color version of the logo.

Black and White

The black and white logo variants are good for use on very light or very dark backgrounds. They are essential to applications that require printing in one color.

Simplified

When the logo reproduced at a small size and details may be illegible, please use the simplified "head" mark.

File Formats

Logo files are available in PDF, EPS and PNG formats. Each are best for use in different applications.

The PDF logo files are well suited to most print applications. They have been prepared in a vector format which allows them to be scaled to any size between a postage stamp and a football field with no loss in quality.

PNG files are good for on-screen use and are compatible with most software. The advantage of PNG files over JPEG files is support for transparent backgrounds. Unfortunately, they can get pixelated when resized.

The EPS format is a standard for professional designers and print shops. If vendors printing shirts, signage, etc. ask for "vector files," an EPS is what they have in mind.
