## DISCUSSION SNAPSHOT

Junior High Report Card Presentation: Mr. Hawkins and Mr. Young presented information on the Illinois Report Card. The action steps for Lombard and Churchill were both presented.

Instructional Coaches presented information on the work currently being done in the District. The coaches have worked with over 55 District #205 teachers this year so far. Along with individual coaching, they have also planned and prepared 1,187 hours of professional development for staff.

Truancy Discussion will be continued next month. The Board was informed that the district has observed some trends throughout the District in regards to how attendance is reported at each building. District Administration is looking into possible changes that may be implemented, in order to have standardized attendance reporting procedures.

## SPECIAL EDUCATION

- Special Ed: looking to fill open positions.
- Report is due to Illinois State Board of Education on Restraint and Seclusion over the last 3 years.

## CURRICULUM

- December 17-Next MTSS meeting
- District continues to pilot the K-8 Math Pilot and Amplify Science in grades 6-8.
- Development of the January 6th Institute Day continues on and will be published for teacher viewing before December 20th.
