STUDENT CONDUCT ON SCHOOL BUSES

The School Committee and the District staff share with students and parents/guardians the responsibility for student safety during transportation to and from school. The authority for enforcing School Committee requirements of student conduct on buses will rest with the Principal.

All students who ride on any school bus or van are expected to follow any Local, State, and/or Federal health and safety protocols in effect.

To ensure the safety of all students who ride in buses, it may occasionally be necessary to revoke the privilege of transportation from a student who abuses this privilege. Parents/guardians of children whose behavior and misconduct on school buses endangers the health, safety, and welfare of other riders will be notified that their children face the loss of transportation privileges in accordance with the student's school handbook.
