

**Andrea Sheridan, Superintendent Report**  
**School District of Athens**  
**September 19, 2022**

**One town. One team. One dream.**

**Goals**

- Maximize opportunities provided by the combination of a new leader, new strategic planning cycle, and a short transition period of leadership.
- *Engage stakeholder groups and key leaders in future planning for the district that will:*
  - *Enable effective decision making to occur,*
  - *Strengthen the environment of collaboration, and*
  - *Embrace the opportunity to forward the strategic direction as supported by the Board.*
- Identify and develop meeting structures to position the system for continuous improvement.
- Support all staff so that they can best deliver excellent service for our students, families, and the community.
