

SCHOOL DISTRICT OF MONDOVI

REQUEST AND RELEASE

Transportation of Students for
Extracurricular Activities

Student's Name (print or type)

Date

Parents/Guardians (print or type)

Phone Number

I acknowledge that the School District of Mondovi provides transportation for students to travel to and from specified, eligible extracurricular activities. However, the above-mentioned student and parent(s) hereby acknowledge that the District does not provide transportation to the extracurricular activity specified below and therefore the parent(s) and student accepts full responsibility for the transportation of the student and any passengers in the student's automobile to and/or from the extracurricular activity listed below. The undersigned individuals hereby notify the District that said student must find his/her own transportation, not provided by the District, to and from the following extracurricular activity:

- Athletic practices and home meets/games for _____
for the _____ school year. (Activity)

In so doing, we recognize and acknowledge the following:

1. That the District will not be providing supervision of the student while traveling to and from the aforementioned extracurricular activity.
2. That neither the student, the undersigned, nor any party is an agent of the District for this transportation. The District does not provide the vehicle to transport students, nor does it dictate which routes to take to and from the specified location, nor does it dictate when the students should arrive at or depart from the specified location.
3. That the District, District officials, and District personnel are not in any way liable or responsible for my child, the student, or other District students, while driving or riding in non-District provided transportation.

4. That the student is fully responsible for his/her own actions in connection with the transportation provided by himself/herself, or by other students participating in the aforementioned extracurricular activity, or for providing such transportation to and from such extracurricular activity.
5. That there is no school liability insurance, property insurance or school vehicle insurance coverage for the student for this transportation to an extracurricular activity that we are hereby choosing to participate in.
6. That should the student transport other District students to and/or from the aforementioned extracurricular activity, that the student must be currently licensed, hold a valid and current operator's license, and will not transport District students if the student no longer holds a valid and current operator's license. Further, such vehicle must be adequately insured and will not transport students if it fails to become insured. The undersigned student and parent shall provide the District with sufficient proof of licensure and insurance.
7. That the student will not transport other students who have not signed the District's Request and Release for this extracurricular activity.

The undersigned hereby recognize the District does not provide transportation for the student to and from the above-mentioned extracurricular activity and we hereby expressly release and agree to indemnify and save harmless the District against any rights, claims, judgments or other liability as may arise out of, in connection with, result from, or be reason of action taken or not taken by the District under this request, including, but not limited to, damages and costs for which the District may be found to be liable.
