

Summer Academy Opportunities

Clearfield Area School District

CASD is proud to announce we will be offering summer academy camps for our current Kindergarten through 11th Grade students again this summer. The camps are FREE for our students and last anywhere from one day to two weeks.

The purpose of the camps is to provide students with summer learning opportunities in a fun, safe, hands-on environment.

Students can sign up for more than one camp. Spaces are limited and will be assigned on a first come/first serve basis.

Transportation WILL NOT be provided. All students will need to be dropped off and picked up in the front of the school. At the elementary school, teachers will be there to meet the students and will also take them out at the end of the session.

If your child is interested in attending please complete the attached form and either send it back to school with your child or email it to msayers@clearfield.org

Any questions please call Mrs. Mary Mike Sayers, 814-765-5511 ext. 6011 or email: msayers@clearfield.org
