## Sports News by Brooke Ellis

Fall sports are in full swing at Spurger High School. This past week was a tough week for the Lady Pirates volleyball who faced Deweyville on Tuesday and Evadale on Friday. During each game, the Lady Pirates fought hard, playing four sets with Evadale. Make sure to come support your Lady Pirates tonight as they face the Sabine Pass Lady Sharks!

The Cross Country team is doing well, despite the fact that last Wednesday's meet was cancelled. We hope to see them shave time off their personal records in preparation for their district meet.

## Police Safety Program by Ashleigh Wood

Last week, the Freshman class watched a video with Mr. Zachary that explained how to react when at a traffic stop. This is now a requirement by the state. The video is very efficient and will help with them being able to drive in the near future. We thank the leadership of Mr. Zachary by taking this into action and helping keep everyone safe.
