

The Maroon & White

Pirate Pride. Love it. Live it.

Cross Country Regionals

By Brooke Ellis

The Spurger Pirates Cross Country team competed at Regionals on October 28th. Sayri Urias had a great run with a 2-mile time at 14 minutes and 6 seconds. She finished in 22nd place out of 148 contestants. She was 18 seconds and 4 places away from advancing to state. Along with Sayri's success, everyone got a new personal record. While we missed state, all runners have had an incredible season.

November 11th:

Veteran's Day

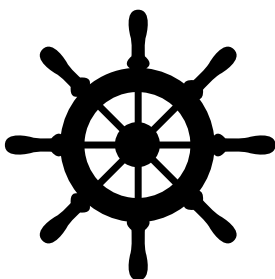

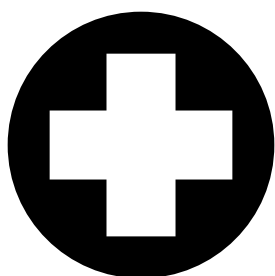

Program @ 11 am

Fall Fest

By Ashleigh Wood

On October 25th, Spurger I.S.D. held the annual Fall Fest. Due to the weather being so dreary, the celebration was held inside to keep everyone warm and dry. Many fun games, awesome costumes, and great food. The event resulted in money raised for our school and individual classes, which was a success. Thank you to everyone who came and supported the event.

Red Ribbon Week

By Micah Donnatucci

During Red Ribbon Week, all grades from pre-k to Senior grade participated in the dress up days. Red Ribbon Week is the time which informs teens that alcohol, smoking, and doing drugs gets you nothing in life and is not worth doing them. On Friday, PTO brought in Mrs. Leah Hicks who spoke to the students about the cost of drugs and alcohol. She had a number of games for the students and staff to play. We would like to thank everyone who contributed to the assembly.

SENIOR OF THE WEEK

Megan Callaway, has been a student at Spurger ISD since Pre-K. She has played basketball and volleyball; this is her fourth year of being stage manager for One Act, active member in FFA, and FCCLA.

STUDENT OF WEEK

Logan Jordan, Junior, won the Kahoot game during the Drug and Alcohol Assembly that was put on for the high school. Logan is very intelligent and kind student, he is always willing to help fellow classmates.
