Assignment: Go outside. Use your smart phone or digital camera to capture one *school appropriate* 7 second video that express the idea of a “Snow Day.” Upload the video to your One Drive. Finally, if you wish to, upload the video to social media with #loveshctc.

Use this checklist as a guide:

- Did I create drama in the video?
- Did I use different angles, subjects and compositions?
- Is the video exposed properly?
- Did I create contrast in the video?
- Does the video adhere to the “rule of thirds?”
- Does the video capture a strong emotion or feeling?
