

Visual Design

Blizzard Bag 1

Assignment: Go outside. Use your smart phone or digital camera to capture three *school appropriate* images that express the idea of a “Snow Day.” Upload the images to your One Drive. Finally, if you wish to, upload the images to social media with #loveshctc.

Use this checklist as a guide:

- Did I create drama in the images?
- Did I use different angles, subjects and compositions?
- Are the images exposed properly?
- Did I create contrast in the images?
- Do the images adhere to the “rule of thirds?”
- Do the images capture a strong emotion or feeling?
