

TEXAS TECH  
UNIVERSITY.

# Are You A South Plains Area High School Student? Interested in STEM? *Need A Scholarship?*

Are you a student from a small community that is interested in a career in STEM (Science, Technology, Engineering and Math) but would require financial assistance in order to attend Texas Tech? The **South Plains STEM Scholars** initiative is accepting scholarship applications for a crossdepartmental program designed specifically for students with an interest in STEM fields (specifically biology, physics, math, geosciences or chemistry).

## Program Features

- Annual scholarships up to \$5,000
- Comprised of approximately 40 students from across the South Plains
- Faculty mentors from across all five STEM departments
- Locally relevant research and internship experiences
- Service learning projects that will engage students in broader rural issues

Visit [www.as.ttu.edu/spss](http://www.as.ttu.edu/spss) for details.

\*Financial need is determined by the free application for Federal Student Aid at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).  
SPSS is open to U.S. citizens and permanent residents.
