

PUBLIC NOTICE

RESIDENCES, SCHOOLS, AND PUBLIC BUILDINGS IN HAYDEN & WINKELMAN, ARIZONA

You are eligible for a **NO-COST** lead-based paint inspection and removal of lead based paint in your pre-1978 constructed home or public structure.

Participation is voluntary.

Your family is a priority for this program because children's bodies are more sensitive to lead's damaging effects.

Sign up soon, funds are limited.

To participate in this **FREE** program contact:

FREE Lead Based Paint Abatement Project

Dear parent,

Hayden and Winkelman are members of the Central Arizona Association of Governments (CAG) and we provide a variety of local government services to your communities. Among those are the Community Development Block Grant projects such as the new refrigerator/freezer in the Senior Center, water system repairs in Hayden and street repairs in Winkelman.

CAG is conducting a **FREE** assessment and remediation project for qualifying residents. The purpose of this project is to identify homes and public buildings that were constructed before 1978, test for lead based paint, and removal of the lead based paint hazard.

Under the direction of the U. S. Environmental Protection Agency (EPA), CAG is managing this project.

This is a **FREE** program. Participation is strictly voluntary. The first priority is homes with children as they are at the most risk of health impacts of exposure to lead. Please see the information enclosed.

If you would like to participate or have any questions, please contact us at 480-474-9300, or email abatement@cagaz.org.

Respectfully,

Alan Urban
