**Councilman Nehring to Host Ribbon-Cutting Ceremony  
for the Regional Apprenticeship Pathways Center**

*Msvl. WA* - On January 7, 2019, in time for discussion and reflection at the upcoming legislative session, Snohomish County Councilman Nate Nehring will host an intimate ribbon-cutting ceremony for core constituents. Invitees include stakeholders integral in bringing the concept of Regional Apprenticeship Pathways to fruition. The event will take place at Marysville Pilchuck High School and will focus on highlighting student learning.

The Regional Apprenticeship Pathways Center's official grand opening hosted by Marysville School District will take place in the fall of 2020. The grand opening event will be open to the community and will highlight both the program and the facility. The official grand opening will be advertised on the district website and in all district communications leading up to the event.

For questions about the event or the Regional Apprenticeship Pathways, contact Anne Carnell, Assistant CTE Director, at (360) 965-0035 or email [anne\\_carnell@msd25.org](mailto:anne_carnell@msd25.org).
