Re: Strategic Plan Survey
Date: 12/19/2019

Our Owners Project Manager received an email and feedback from a citizen regarding the Strategic Plan Survey results several years ago. I have already cleared this up with the OPM and members of the committee. The Strategic Plan Survey never addressed grade configuration, it addresses the structure of the schools.

The survey said:

The focus groups determined that the following were strengths of the Medfield Public Schools. Please rate your level of agreement with the following strengths. (Strongly Agree, Agree, Disagree, Strongly Disagree, No Opinion)

Students attend all grades together K-12 versus neighborhood schools

Results:

Strongly Agree:	403 responses
Agree:	255 responses
Disagree:	48 responses
Strongly Disagree	16 responses
No Opinion	63 responses
