

# 2021-2022 Intermediate Title I Parent/Guardian Needs Assessment

My child is enrolled in the following grade:

33 responses

I feel my child is safe:

My ideas and opinions are valued by school staff and I can speak with them as needed concerning the Title 1 program or other special programs.

33 responses

I am notified of my student's academic progress often enough to be able to intervene if there is a problem.

33 responses

I am aware of the academic standards/skills my child is required to master at his/her grade level and feel that my child is challenged academically because teachers hold high expectations for student learning.

33 responses

As a parent, I am aware of the transitional or virtual activities and orientations each school provides for parents and students entering Pre-Kindergarten, 3rd grade, 6th grade, and 9th grade?

33 responses

If my child is struggling with classwork and needs more assistance, it would be best for my child to receive tutoring assistance from his/her teacher or a special program in the:

33 responses

When my child is struggling with classwork, I see to it that he/she uses the resources such as Dreambox, Reflex Math, Aleks, Lexia Reading, AR Reader or Zearn which are available for us to use at home to reinforce skills taught at school.

33 responses

- Yes
- No
- My child does not need extra help with school work

My child needs the most help in the following area(s):

33 responses

- Math
- Reading/Comprehension/Literacy
- English/Language Arts
- Science
- History/Social Studies
- Writing
- My child does not need help in any area

The assistance provided by Title 1 specialists, interventionists, and teachers who work with my child individually or in small groups is helpful for the academic growth and success of my child.

33 responses

- Yes
- No

I feel there is at least one adult at school my student can talk to when there is a problem.

33 responses

The school includes parents from all cultures and socio-economic groups in school events.

33 responses

My child has been bullied:

Once I reported the bullying of my child to school personnel, the bullying stopped.

33 responses

- Yes
- No
- I am not aware of my child being bullied

My child's school needs more technology; for example, desktop computers, chromebooks, iPads to use in the classroom.

33 responses

- Yes
- No

Does your child talk about using technology to complete assignments?

33 responses

- Yes
- No

The Title 1/Intervention literacy and math programs are successful in increasing student achievement.

33 responses

I am aware that the district has a Parent Center with resources such as student skill packets which parents may use at home to reinforce classroom skills and a Parent Coordinator available to help with families' needs as well as a Parent Facilitator on each campus.

33 responses

As a parent, I use the following communication tool the most:

33 responses

- School Website
- Announcements made at Parent Nights
- Alerts Messaging System
- Written Reminders sent home with stu...
- District Sign Marquee
- Remind Texts
- Facebook/Twitter
- Radio
- Newspaper Announcements/Articles
- Student Planner
- Virtual Meetings
- Go Jackets App
- E-Mail
- Phone

I am aware of my child's homework expectations.

33 responses

- Yes
- No

I am aware I can utilize the Home Access Center (HAC) to monitor my child's progress.

33 responses

I am not utilizing the Home Access Center (HAC) to monitor my child's progress because:

33 responses

My child's teacher strives to meet the learning needs of my child.

33 responses

Have you attended any of the following in person or virtually: Meet the Teacher night, District Nights, Title 1 Meetings, Parent Visitation, WJHS Orientation, Freshmen Orientation, Math and Literacy nights or EAST Night Out, where teachers discuss grade level curriculum, achievement, routines, expectations, and evaluation procedures/testing?

33 responses

Which of the following Parent Workshops would you most like to see provided for the 2021-2022 school year?

33 responses

My child's school staff welcomes me and provides a parent friendly atmosphere.

33 responses

As a parent I feel I have a voice and that the district is willing to listen about decisions that may affect my child.

33 responses

Parents and community members are encouraged to volunteer in the school and become part of the district's volunteer program and I am given opportunities to do so.

33 responses

If the answer to the above question is No, what barrier is preventing you from volunteering?

33 responses

I am aware that the school has a functioning PTA K-5 and PTSA 6-12 that provides services to support the school's academic/activity environment, meets periodically, and that I can become an active member of the organization.

33 responses

The after school program should continue for the 2021-2022 school year.

33 responses

The 2021-2022 after school program should focus on teaching the following:

33 responses

### A 2022 summer school program should be offered?

33 responses

### The 2022 summer school program should focus on teaching the following:

33 responses
