

2021-2022 Primary Title I Parent/Guardian Needs Assessment

My child is enrolled in the following grade:

233 responses

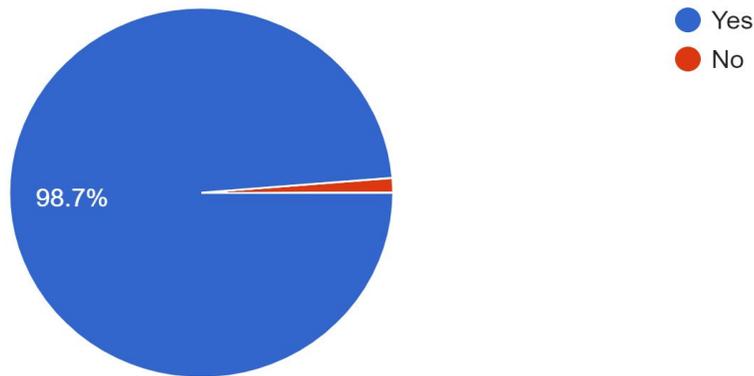

I feel my child is safe:

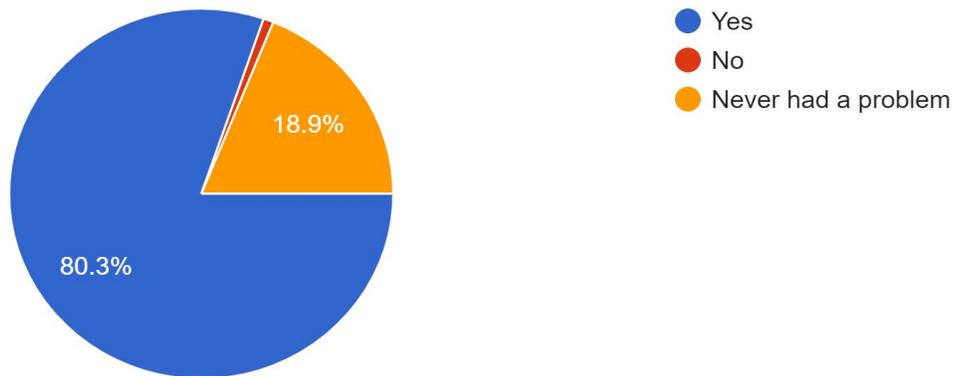

My ideas and opinions are valued by school staff and I can speak with them as needed concerning the Title 1 program or other special programs.

233 responses

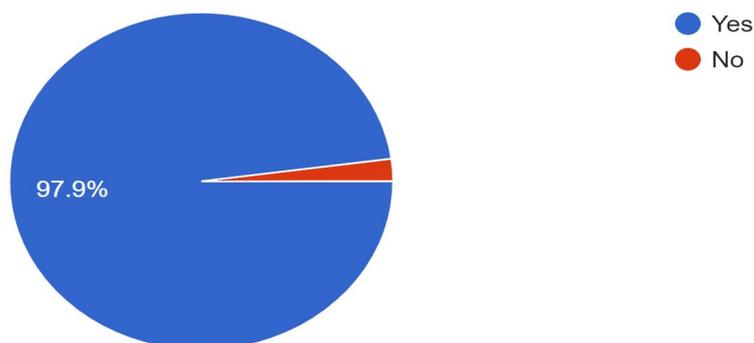

I am notified of my student's academic progress often enough to be able to intervene if there is a problem.

233 responses

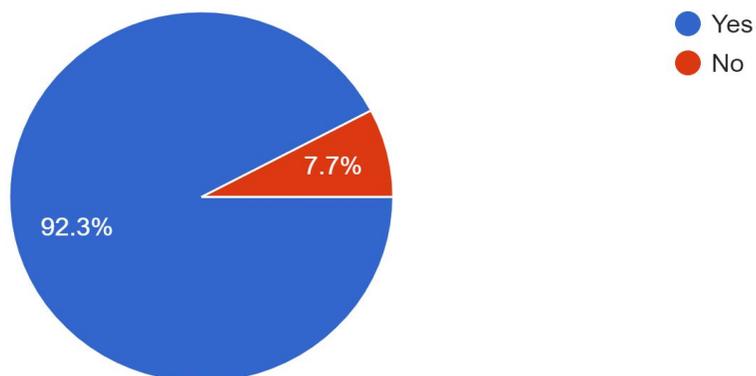

I am aware of the academic standards/skills my child is required to master at his/her grade level and feel that my child is challenged academically because teachers hold high expectations for student learning.

233 responses

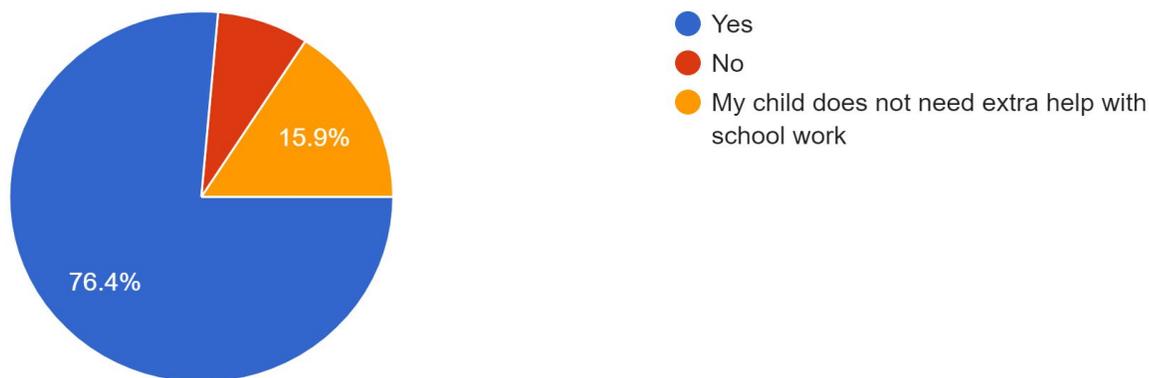

As a parent, I am aware of the transitional or virtual activities and orientations each school provides for parents and students entering Pre-Kindergarten, 3rd grade, 6th grade, and 9th grade?

233 responses

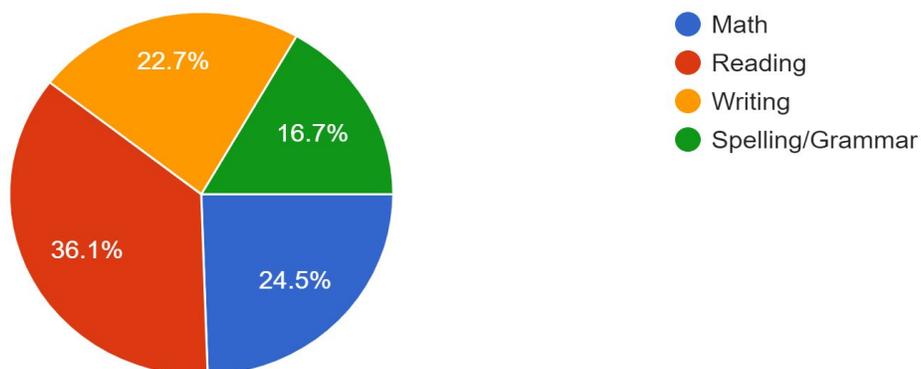

When my child is struggling with classwork, I see to it that he/she uses the resources such as Dreambox, Reflex Math, Aleks, Lexia Reading, or Starfall which are available for us to use at home to reinforce skills taught at school.

233 responses

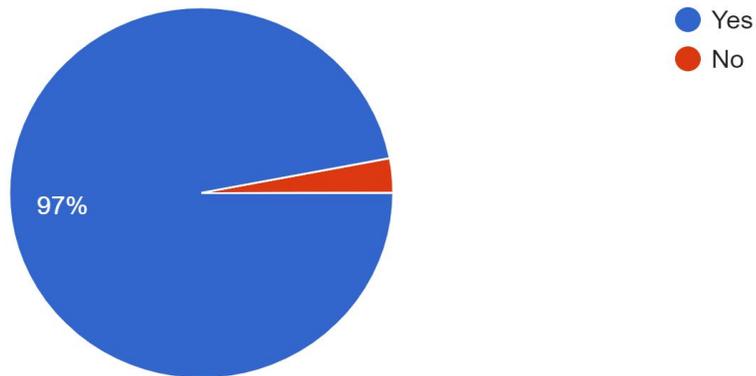

My child needs the most help in the following area(s):

233 responses

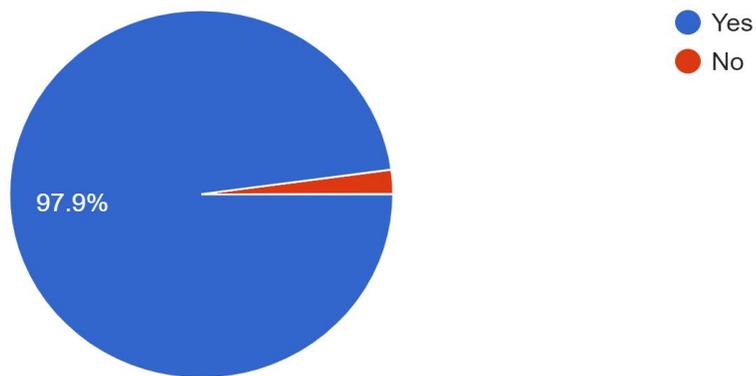

The assistance provided by Title 1 specialists, interventionists, and teachers who work with my child individually or in small groups is helpful for the academic growth and success of my child.

233 responses

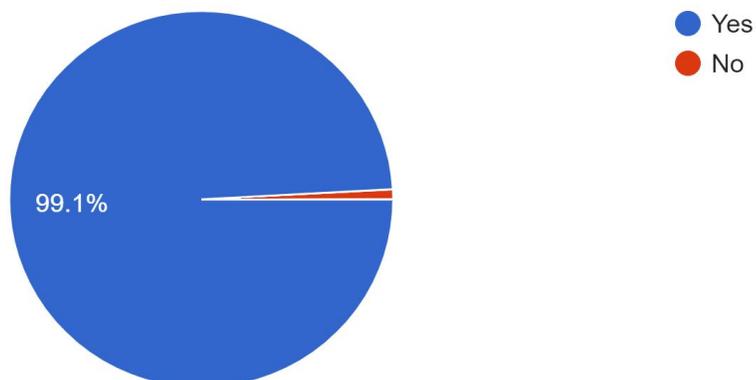

I feel there is at least one adult at school my student can talk to when there is a problem.

233 responses

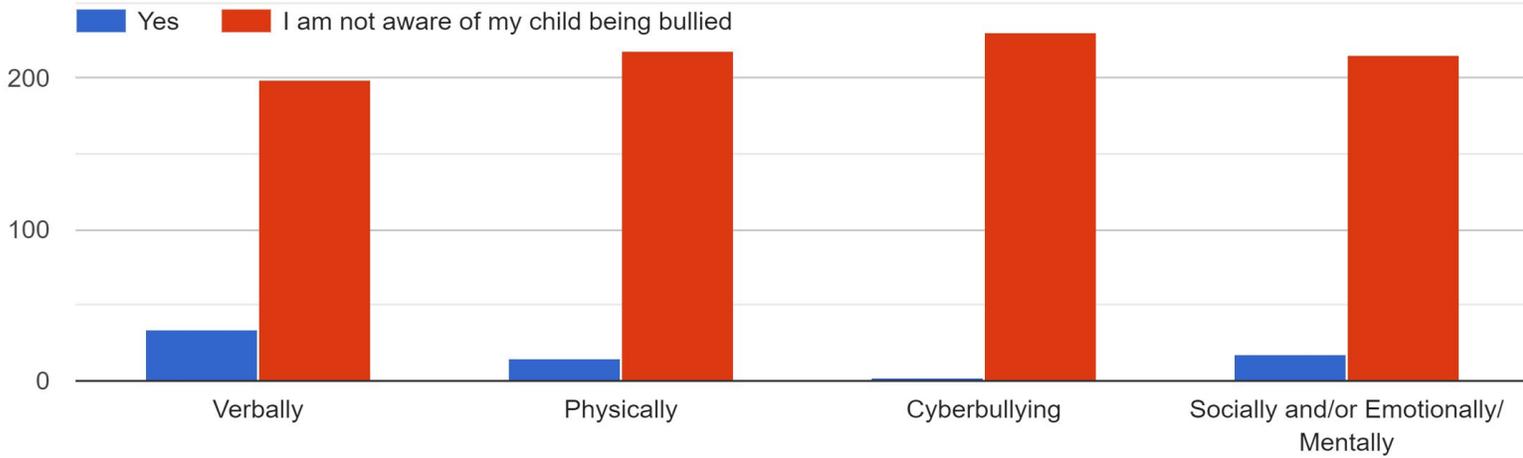

The school includes parents from all cultures and socio-economic groups in school events.

233 responses

My child has been bullied:

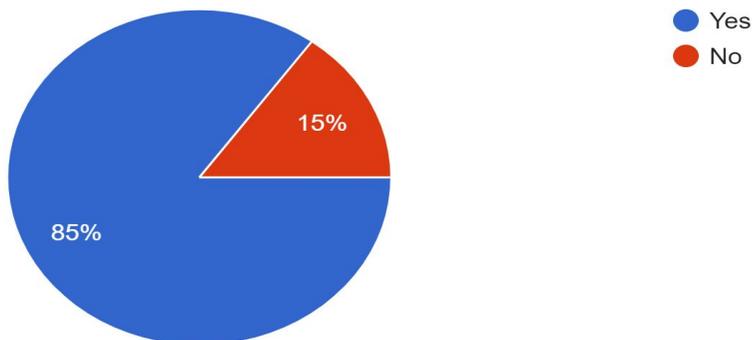

Once I reported the bullying of my child to school personnel, the bullying stopped.

233 responses

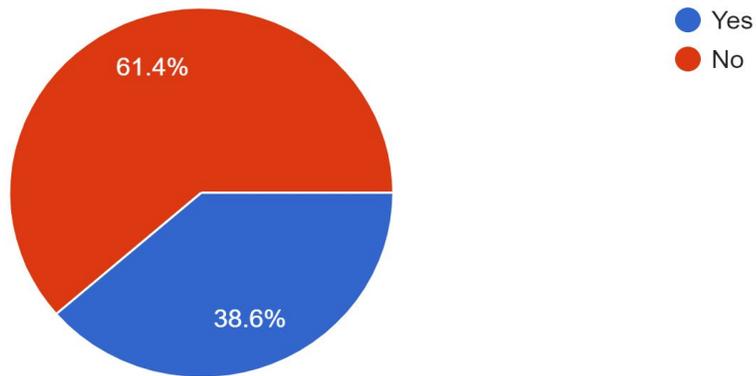

Does your child talk about his/her teacher using technology in class; for example, interactive whiteboard, chromebooks, iPads, smart tv, Google Classroom, etc?

233 responses

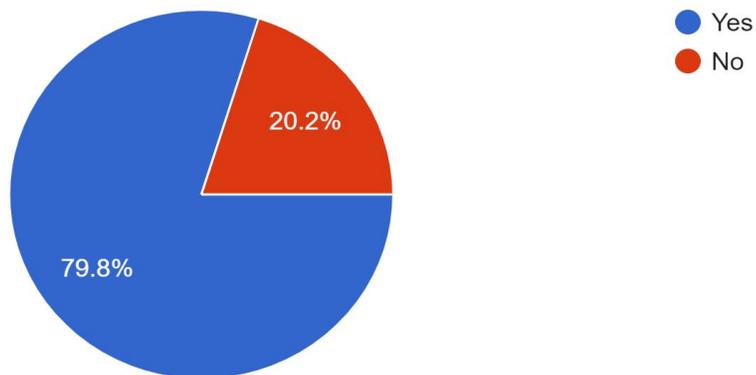

My child's school needs more technology; for example, desktop computers, chromebooks or iPads to use in the classroom.

233 responses

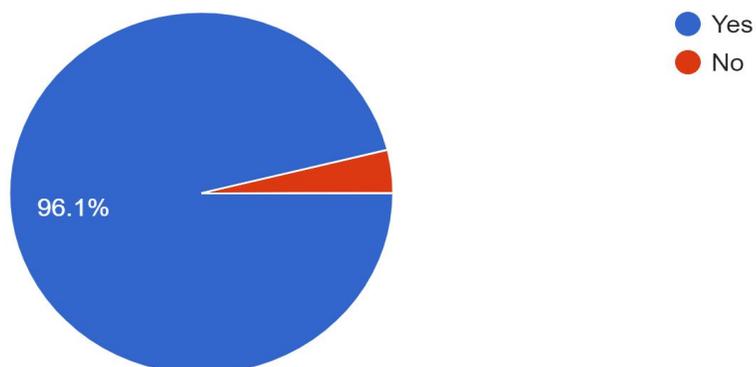

Does your child talk about using technology to complete assignments?

233 responses

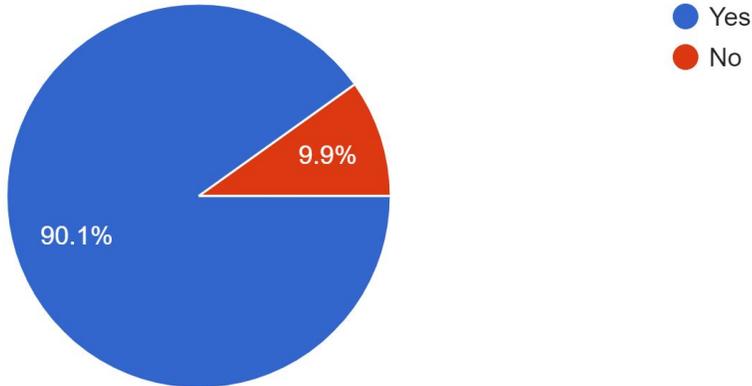

The Title 1/Intervention literacy and math programs are successful in increasing student achievement.

233 responses

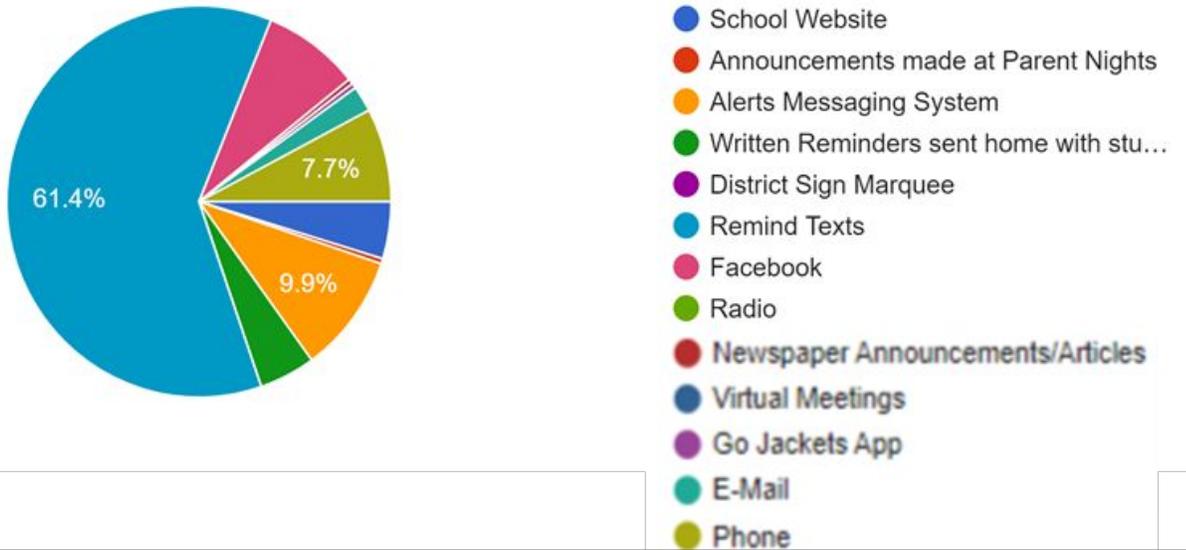

I am aware that the district has a Parent Center with resources such as student skill packets which parents may use at home to reinforce classroom skills and a Parent Coordinator available to help with families' needs as well as a Parent Facilitator on each campus.

233 responses

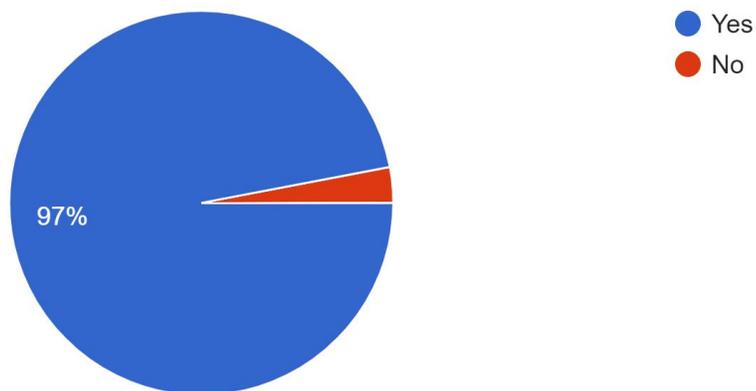

As a parent, I use the following communication tool the most:

233 responses

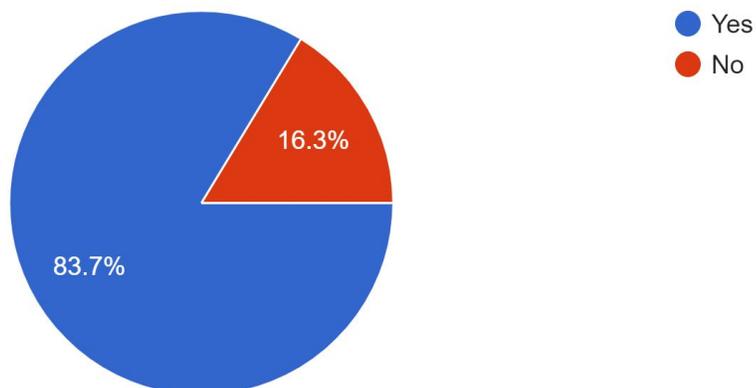

I am aware of my child's homework expectations.

233 responses

I am aware I can utilize the Home Access Center (HAC) to monitor my child's progress.

233 responses

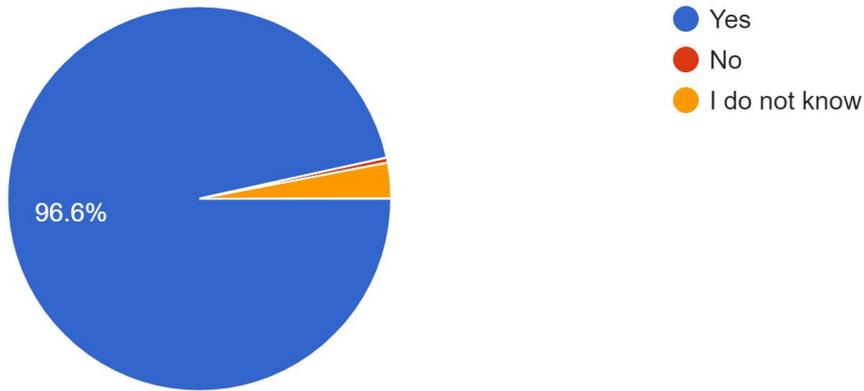

I am not utilizing the Home Access Center (HAC) to monitor my child's progress because:

233 responses

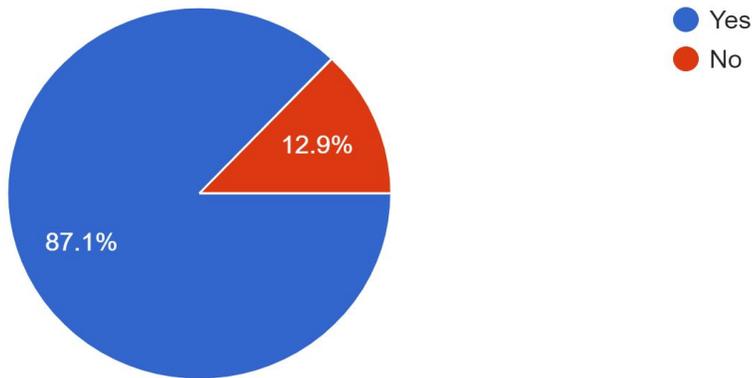

My child's teacher strives to meet the learning needs of my child.

233 responses

Have you attended any of the following in person or virtually: Meet the Teacher night, District Nights, Title 1 Meetings, Parent Visitation, WJHS Orientation, Freshmen Orientation, Math and Literacy nights or EAST Night Out, where teachers discuss grade level curriculum, achievement, routines, expectations, and evaluation procedures/testing?

233 responses

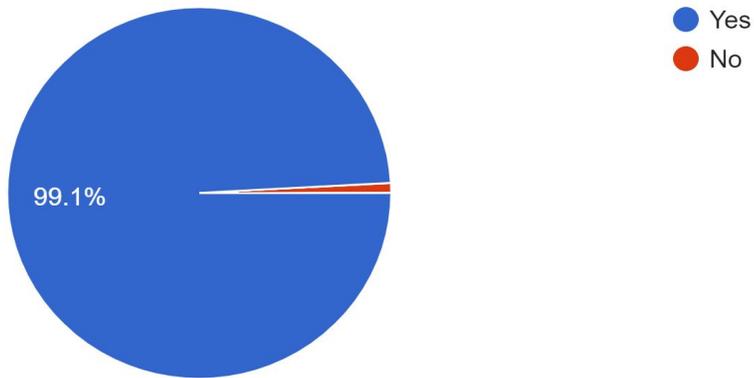

Which of the following Parent Workshops would you most like to see provided for the 2021-2022 school year?

233 responses

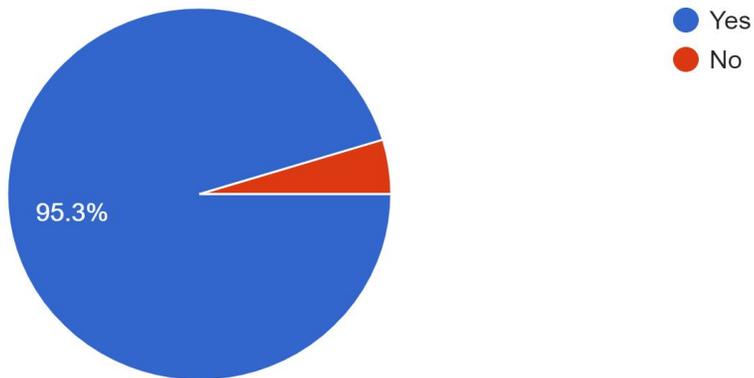

My child's school staff welcomes me and provides a parent friendly atmosphere.

233 responses

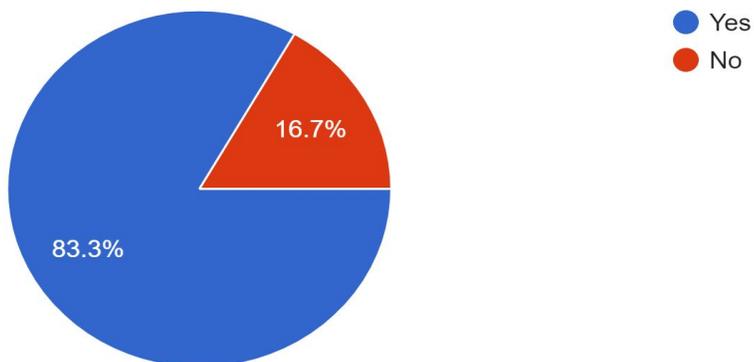

As a parent I feel I have a voice and that the district is willing to listen about decisions that may affect my child.

233 responses

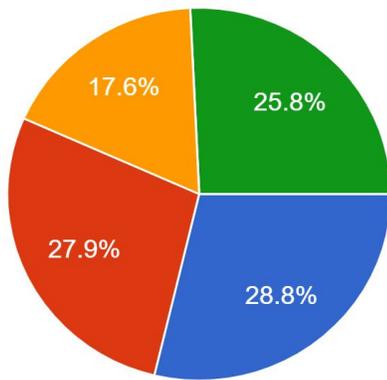

Parents and community members are encouraged to volunteer in the school and become part of the district's volunteer program and I am given opportunities to do so.

233 responses

If the answer to the above question is No, what barrier is preventing you from volunteering?

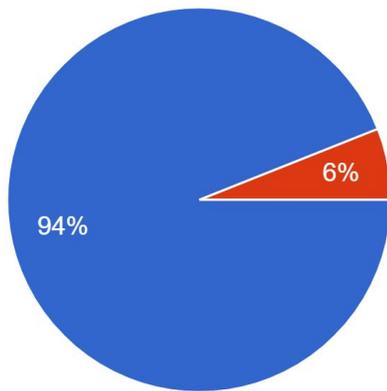

233 responses

- Work/College Related
- Time Constraints
- Now Knowing when Volunteers are Needed
- I Do Volunteer

I am aware that the school has a functioning PTA K-5 and PTSA 6-12 that provides services to support the school's academic/activity environment, meets periodically, and that I can become an active member of the organization.

- Nothing at this time
- Nothing but great things to say about Wynne Primary
- I have concerns with the new curriculum that the children are moving to.
- I am ready for the school to allow parents to participate with parties and eat lunch with their kids.
- My only concern with the playground is how open it is to someone being able to easily enter the playground while children are present from the WBC parking lot or walking tracks.
- I wish all teachers would send more pictures of the children and activities in class.
- Thank you
- I think the school is doing a fantastic job. I have no complaints!
- We are very pleased with the school and my daughter's teacher. Everyone is doing an excellent job!!
- tutoring for children who need it in certain areas
