**Termination for Cause:** If the Contractor fails to properly perform its obligations under this contract in a timely or proper manner, or if the Contractor violates any terms of this contract, the School District shall have the right to terminate the contract and withhold payments in excess of fair compensation for the completed services.

- A. – The School district will provide notification of termination for cause in writing. This notice will: (1) specify in reasonable detail the nature of the breach. (2) provide the Contractor with an opportunity to cure, which must be requested in writing no less than 10 days from the date of the Termination Notice, and (3) shall specify the effective date of termination in the event the Contractor fails to correct the breach. The Contractor must present the school district with a written request detailing the efforts it will take to resolve the problem and the time period for such resolution. This opportunity to “cure” shall not apply to circumstances in which the Contractor intentionally withholds its services or otherwise refuses to perform. The School District will not consider a request to cure contract performance where there have been repeated problems with respect to identical or similar issues, or if a cure period would cause a delay that would impair the effectiveness of School District operations. In circumstances where an opportunity to cure is not available, termination will be effective immediately.
- B. Notwithstanding the foregoing, the contractor shall not be relieved of liability to the School District for damages sustained by virtue of any breach of this Contract by the Contractor.

**BREACH:** A party shall be deemed to have breached the contract if any of the following occurs:

- A. Failure to perform in accordance with any term or provision of the contract.
- B. Partial performance of any term or provision of the contract
- C. Any act prohibited or restricted by the contract, or
- D. Violation of any warranty

**CONTRACTOR BREACH:** The School District shall notify the Contractor in writing of a breach.

- B. In the event of a breach, the School District may assess liquidated damages.

**Partial Default:** In the event of a breach, the School District may declare a partial default.

**CONTRACT TERMINATION:** In the event of a breach, the School District may terminate the contract immediately or in stages. The Contractor shall be notified of the termination in writing by the School District. Said notice may specify either that the termination is to be effective immediately, on the date certain in the future, or that the contractor shall cease operations under this contract in stages. In the event of a termination, the School District may withhold any amounts which may be due the Contractor without waiver of any other remedy or damages available to the School District at law or equity.

**SCHOOL DISTRICT BREACH:** In the event of a breach by the School District, the Contractor shall notify the School District in writing within 30 days of any breach of contract by the School District. Said notice shall contain a description of the breach. Failure by the Contractor to provide said written notice shall operate as an absolute waiver by the Contractor of the School District's breach. In no event shall any breach on the part of the School District excuse the Contractor from full performance under this contract. In the event of a breach by the School District, the Contractor may avail itself of any remedy at law in the forum with appropriate jurisdiction, provided, however, failure by the contractor to give the School District written notice and opportunity to cure as described herein operates as a waiver of the School District's breach. Failure by the Contractor to file a claim before the appropriate forum in Arkansas with jurisdiction to hear such a claim within one (1) year of the written notice of breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties that this provision establishes a contractual period of limitations for any claim brought by the Contractor.

**Equal Employment Opportunity:** Selected vendors shall comply with E.O. 11246 Equal Employment Opportunity, as amended by E.O. 11375. Amending Executive Order 11246 Relating to Equal Employment Opportunity, and as supplemented by regulation at 41 CFR part 60 Office of Federal Contract Compliance Programs. **Davis Bacon Act: Davis Bacon Act -** In accordance with 2 CFR Appendix II to Part 200(D) When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”).

**ASSURANCE STATEMENT:** The program applicant hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.); all provisions required by the implementing regulations of the Department of Agriculture; Department of Justice Enforcement Guidelines, 28 CFR Part SO.3 and 42; and FNS directives and guidelines, to the effect that, no person shall, on the grounds of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied benefits of, or otherwise be subject to discrimination under any program or activity for which the program applicant receives Federal financial assistance from FNS; and hereby gives assurance that it will immediately take measures necessary to effectuate this agreement.”

This assurance is binding on the Program applicant, its successors, transferees, and assignees as long as it receives assistance or retains possession of any assistance from USDA. The person or persons whose signatures appear below are authorized to sign this assurance on the behalf of the Program applicant.”

Due to the limited number of distributors for bread/milk in our area, we are encouraged to seek out and request a STATEMENT OF NO BID in order to maintain compliance with federal and state procurement requirements whenever there is limited or no competitive bidding. If your company does not intend to submit a bid, your submission of the STATEMENT OF NO BID will help us meet the justification requirements for a sole source contract award. All distributors are highly encouraged to submit bids whenever possible.
