

Parent Notice: Title I Parent and Family Engagement Plans

Parents and families, Title I Parent and Family Engagement Plans, in compliance with Title I regulations, have been placed on line for parents of all students in grades K-12 for the 2023-2024 school year as of August 1, 2023.

We know that parents and families are vital to students' academic success, and that together we can help all children achieve excellence.

The Title I Plans are available by building and by District at www.wynneschools.org under State Required Information/Comprehensive Plans for Communication & Engagement (5-A.1), or under the Parents/Students tab as Parent Center/Family & Community Engagement Plans.

Building plans are available in hard copy if needed. The District Title I Plan Summary is also available in the District Student Handbook and online. Receipt of the district's plan summary and building plans is documented.

If you either cannot access the plan or did not receive one and would like one, or have questions, please contact Ms. Breckenridge, District Family and Community Engagement Coordinator at 870-587-0350 or the following parent facilitators on each campus: Jamie Russell, Wynne Primary School; Casohnny Lumpkin, Wynne Intermediate School of Innovation; Celeste Vanaman, Wynne Junior High School; and Ella-Jane Britt, Wynne High School.

Thank you for taking a few minutes to review the plans which show our district's goals, and are created with our family and community engagement committees and school staff.
