There will be an important parent meeting about ACCESS for ELLs 2.0. This test is a secure large-scale English language proficiency assessment administered to Kindergarten through 12th grade students who have been identified as English language learners (ELLs).

The meeting is for parents of students who qualify for ESOL services, grades K thru 12, including those who waived services. The meeting will explain the purpose of the ACCESS test, when and how it is administered, how parents can help prepare their children, and how to interpret the results.

We hope you can join us for this important and relevant meeting!
