

ATTENDANCE POLICY

2023-2024

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence.

Education is more than the grades students receive in their courses. Important as that is, students' regular attendance at school is essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction, which results in higher student achievement.

It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Excessive absences may, however, be the basis for the denial of course credit, promotion, or graduation.

Students attending Cross County Schools will be allowed to miss up to nine (9) days per semester as indicated in the following excused and unexcused absence descriptions. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the absences, the student may be denied credit, promotion, or graduation. Excessive absences shall not be a reason for expulsion or dismissal of a student.

Excused Absences

Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons.

1. The student's illness or when attendance could jeopardize the health of other students with professional documentation, such as, doctor, counselor, etc. .
2. Death or serious illness in their immediate family.
3. Observance of recognized holidays observed by the student's faith.
4. Attendance at an appointment with a government agency.
5. Attendance at a medical appointment.
6. Exceptional circumstances with prior approval of the principal.
7. Participation in an FFA, FHA, or 4-H sanctioned activity.
8. Participation in the election poll workers program for high school students.

9. Absences granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.
10. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in eleventh grade to complete basic combat training between grades eleven (11) and (12).
11. Students who serve as pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.
12. Absences due to conditions related to pregnancy or parenting and at least ten (10) days of absences for both parenting mother and parenting father after the birth of a child.

Unexcused Absences

Absences not defined above shall be considered as unexcused absences. Students with nine (9) unexcused absences in a course in a semester may not receive credit for that course. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the unexcused absences, the student may be denied promotion or graduation. Excessive absences shall not be a reason for expulsion or dismissal of a student.

When a student has five (5) unexcused absences, his/her parents, legal guardians, persons with lawful control of the student, or persons standing in loco parentis shall be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds nine (9) unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, legal guardian, person having lawful control of the student, or persons standing in loco parentis shall be subject to a civil penalty as prescribed by law.

It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Therefore, at any time prior to when a student exceeds the number of unexcused absences permitted by this policy, the student, or his/her parent, legal guardian, person with lawful control of the student, or person standing in loco parentis may petition the school or district's administration for special arrangements to address the student's unexcused absences. If formal arrangements are granted, they shall be formalized into a written agreement which will include the conditions of the agreement and the consequences for failing to fulfill the agreement's requirements. The agreement shall

be signed by the student, the student's parent; legal guardian; person having lawful control of the student; or person standing in loco parentis, and the school or district administrator or designee.

Students who attend in-school suspension shall not be counted absent for those days.

The District shall notify the Department of Finance and Administration whenever a student fourteen (14) years of age or older is no longer in school. The Department of Finance and Administration is required to suspend the former student's operator's license unless he/she meets certain requirements specified in the statute.

If a student has missed the allowable number of unexcused days per the attendance policy, the student will not be allowed to leave school early to attend an extra-curricular activity, i.e. a basketball game that leaves school at 2:00 p.m. or attend a field trip. The student may attend after the school day has ended.
