

Ms Carol Perisho BCHS School Counselor

Hi

I'm Ms Perisho the school Counselor. I moved to Dillon in 2018 and just love it here!! I went to the University Of Missouri (MU) for my undergraduate degree in Animal Science and Missouri State University (MSU) for my Masters in School Counseling.

I have two sons. My oldest, Josiah, lives in San Antonio Texas. He graduated from the University of Missouri Science and Technology. He is a computer programmer for USAA. He has been my computer geek since he was little. I still ask him computer questions all the time. My youngest, Nathan, graduated from the Naval Academy and is now stationed in Charleston SC. He is a nuclear engineer. He teaches at the naval nuclear school in Charleston. He lived in Hawaii for a while, hence the Hawaii hat!!!

I love my job working with students. It's long hours but well worth it. I also run the concession stand for all the games, so you might see me serving you a soda or hotdog. I just recently took up kayaking and hiking since moving to Dillon, so far it's been great. Haven't tipped my boat yet!! And I love to ski!!!

Please feel free to call or email me with questions or concerns. I have a very busy office so it may take a day to get back to you but I will do my best.
