## The Faces of Lincoln

Hi, I am Marquita Pogue and I am the speech-language pathologist for the 1st graders at Lincoln Elementary. I also work with 4th-12th grade students and students at St. Patrick's Catholic School. This is my third year working in Parsons, my 25th year as a speech-language pathologist but I actually worked in Parsons during the 1993 through 1995 school years. I live in Independence with my cousin and two dogs. I love to read, travel and visit with my family. One thing I love most about my job is helping students to produce sounds better so that they can be understood when they talk. I am so proud to be a Parsons Viking! -Marquita K Pogue, MA-CCC/SLP  
Speech-Language Pathologist

Hi my name is Theresa Albers. This is my fourth year as a Speech Para at Lincoln School. I love my job! I have been married to my wonderful husband Daryl for 32 years and we have four grown sons.

My faith, family, and friends, are important to me. I like to travel, read, and experience new things. I am a shared para between Marquita Pogue and Lori Keith.

-Theresa Albers, Speech-Language Para

I have been in the education field from teacher to para for many years! This is my seventh year of being a para in Parsons. I have had the privilege and joy of being a Preschool/Kindergarten speech para for three years. My loving husband of 43 years and I enjoy traveling. This summer we went to Germany to visit our son, Jacob, and his family. We have been blessed with four sons, two daughters-in-law, nine grandchildren, one dog, and a wonderful community and school. -Cathy Heppler, Speech-Language Para

This is my third year here at Lincoln as a speech-language pathologist. I have the privilege of working with Preschool and Kindergarten. I love seeing the growth as they learn to communicate more. It is amazing how quickly little ones find their voices! We love to play and have fun while we learn. I have 4 children and 14 grandchildren with another one coming in May!

-Lori Keith, M.S., CCC-SLP
