

## Helix School District Healthy and Safe Schools Plan

In 2017, the Oregon State Legislature passed SB 1062, which requires that, every school district, education service district, and public charter school develop a Healthy and Safe Schools Plan (HASS Plan). Each organization's HASS Plan has specific requirements that must be included for the HASS Plan to comply with state law. All HASS Plans are due to the Oregon Department of Education by July 1, 2019. Below is the Helix School District Healthy and Safe Schools Plan. Helix School District will file an Annual Statement each year, certifying that the HASS plan is current and that the District continues to comply with the requirements of SB 1062. All of the HASS plans (radon, IPM, lead, etc.) and testing results will be posted on the Helix School District web page: <https://www.helix.k12.or.us/>
