### School Board Policies & Procedures Manual

---

#### 431 STAFF CONDUCT

---

The board reaffirms one of the oldest beliefs in education. One of the best methods of instruction is that of setting a good example.

The board expects that the entire staff will strive to set the kind of example for students that will serve them well in their own conduct and behavior and contribute toward a school atmosphere that is friendly, but has a degree of formality.

In dress, conduct, and interpersonal relationships, teachers and other staff members should recognize that they are being continuously observed by students. Their actions and demeanor will be reflected in the conduct of the students.
