

Transportation

Bus Routes and times:

Please have your children ready and waiting at his or her bus stop five (5) minutes ahead of time. Buses are scheduled to drop children off at the high school/middle school by 7:45-7:50 AM, and then proceed to the elementary school and drop kids off between 7:45-7:55 AM, pending route schedule. If your child does not ride the bus to school, he/she should not arrive before 7:45AM. School supervision does not begin until 7:45AM. Please make certain your child arrives at the proper time.

Special Notes: If there are changes to your bus route you will be contacted by Transportation. If you live on the Young America side of 212 and your child is in 6th grade or older, they are considered a walker and are not allowed to ride the school bus. If a bus stop is unoccupied for two weeks, it is considered a dead stop and the bus will not stop anymore. Due to increasing food allergies, children are **NOT** allowed to eat on the bus. **Any questions or concerns, please call John in transportation at (952)467-7009.**

Bus rules are printed in student handbooks and also available at the school website. Please review these regulations with your student.
