

Grayson County Youth Volleyball League

Grayson County Youth Volleyball is back! This league is designed to offer young girls the basics in volleyball that are needed to play at the middle and high school levels. We are going to try and divide the teams into two age groups this year so we are expanding the ages of signups. One age group for students currently in 3rd and 4th grade, and one age group for students currently in 5th and 6th grade.

The program will be overseen by the GCMS Volleyball coaching staff. Players in the league will get to work with GCHS players as they learn the base skills required to play the game, and at the same time build relationships with players they can go watch this coming up season.

Cost to sign up is \$30.00

Contact Shane Decker at 270-589-7927 or shane.decker@grayson.kyschools.us with any questions!

Sign Ups!

January 11th and January 18th

10:00 – 1:00

Grayson County Middle School Cafeteria
