Equal Educational Opportunities/Nondiscrimination Disclaimer

Every student of Weldon Valley School District RE-20J shall have equal educational opportunities regardless of race, color, sex, religion, national origin, marital status, disability or handicap. Further, no student shall on the basis of sex be excluded from participating in, be denied benefits of, or be subject to discrimination under any educational program or activity conducted by the district. The Board of Education has designated the superintendent as the responsible employee to coordinate school district compliance with Title IX/ Section 504 of the Rehabilitation Act and their administrative regulations. The Superintendent will serve as the Title IX compliance officer. There is a grievance procedure for students who wish to file a grievance for discrimination concerns. Inquiries concerning discrimination should be directed to the superintendent at 911 North Ave, Weldona, CO 80653/ (970)-645-2411- bpeterson@weldonvalley.org.

ABSENCES: One criteria for a student's success in school is regular and punctual attendance. Frequent absences and tardiness may lead to poor academic work, lack of social development and possible academic failure. When a student is absent or tardy, the parent/guardian should contact the school (970-645-2411) before 8:30 a.m. so we can account for every absent or tardy student.

If a student requests to leave during the school day, whether for illness, scheduled appointments or other reasons, **parent permission is required.** Any student leaving school during school hours **MUST have written or verified verbal permission to do so, signed by a**

parent/guardian or office confirmed permission. All students approved to leave school must sign out through the main office and check in at the office upon return to obtain an admit slip. **One absence is equal to three tardies. When a student has accrued 12 total absences in one semester, the parent(s)/guardian and student will need to file an appeal within 10 days of notification. The appeal will be presented to an academic committee for the excessive absences. This process will be led by the principal. The committee will consist of the principal, classroom teacher(s), counselor, and others as determined by administration.**

TRUENCY/TARDINESS: The parent/guardian of a student that is truant for the first time, will be notified as soon as possible by school authorities and the student will be placed on Level II of the discipline code. A second truancy/unexcused absence results in a Level III violation. A student will be considered truant when they are expected to be in school or class and they fail to do so.

Note: Students who accumulate nine (excused/unexcused) or more absences per semester, will be required to attend 1 academic support session for each absence over nine. **Excessive absences may result in loss of credit.**

Tardiness is defined as the appearance of a student without proper excuse after the scheduled time that a class begins. (Late arrival of buses and/or participation in a school activity is excluded.) A student detained by another teacher or administrator shall not be considered tardy provided that the teacher or administrator gives the student a pass to enter the next class. If a student needs to leave class within the first 15 minutes of class, they will be marked tardy. Students need to be in class on time and be **prepared**. Eight tardies in one semester is a Level II violation. Any further tardies, will be a Level III violation

Make-up Work-If a student knows in advance that they will be absent from school for a school activity or approved absence, they **should** obtain their school assignments, in **advance**, if possible. If a student has a Pre-Arranged Absence for one or more days, they should complete the Pre-Arranged Absence Form available in the office to obtain their assignments prior to leaving school.

It is the responsibility of the student to pick up any make-up assignments on the day returning to class. There shall be twice the number of days allowed for make-up work for each day of excused absence. Make-up work shall be allowed following an excused absence with the goal of providing the student an opportunity to keep up with the class and an incentive to attend school. However, for an unexcused absence, work will only receive 50% credit and still must be turned in within the required time. To explain the make-up work, this example is provided. If you are gone 3 days, you would have until the end of the second day to get the first assignment in: the 4th day back would require the 2nd assignment and the 6th day back would require the 3rd assignment missed.

Extra-Curricular Activities-*To be eligible for extracurricular activities, including athletics, students must be in attendance at school for 95% of the school day in order to participate in any school sponsored activity that is conducted on that day. In cases of emergency or extenuating circumstances, the principal or designee may grant an exception to this limitation. If a student attends a morning practice and does not complete that day's attendance in all scheduled classes, that student will miss the following days practice. If a student is being excused by a parent/guardian to attend a school sponsored activity or athletic event as a spectator, they must meet academic eligibility to be permitted to leave school during the day and not have prior excessive absences.*

By joining a team, student-athletes and parents are making a commitment to: demonstrate exemplary sportsmanship, punctuality and diligence through practices and games. They will demonstrate respect toward teammates, coaches, officials and opponents while honoring the game and playing to the best of their ability. Failure to meet any of these commitments will lead to consequences designed to help educate and train each student-athlete on a case-by-case basis; however, in extreme cases, whereby a student-athlete persistently fails to honor these commitments, he or she may be suspended from the team.

WVS student-athletes are committed and responsible individuals, dedicated to attending all practices and games. 100% attendance to all practices and games is the expectation, because participation is a privilege and not an entitlement. Student-athletes have a responsibility to their fellow teammates to prepare for the season in advance and to attend all practices and games during the season. For every unexcused (reference student handbook) practice missed, that student-athlete will **NOT** be allowed to play in the following scheduled game. If he/she **misses 3 unexcused practices/games**, that person will be suspended from the team. The determination of degree of consequence is at the discretion of the Athletic Director and Head Coach with guidance from administration.

Student-athletes are responsible to meet the goals outlined in all of their classes. These expectations include class attendance, effort, behavior and achievement. Student-athletes must remember that their number one priority is academic education; academically, student-athletes are always expected to perform to the best of their abilities in the classroom. Student-athletes may need to miss some portion of classes from time to time. It is the responsibility of each and every individual student-athlete to obtain any missed class materials, make up any missed class work, retrieve any handouts distributed in his/her absence, and inquire about any assignments he or she may have missed while absent. Student athletes must inform all their teacher(s) of any anticipated absence well in advance. Notification one (1) week prior to the event is recommended.

From time to time, student-athletes may be excused from school earlier than normal. The announced dismissal time allows student-athletes to visit their locker and then board the bus. It does not allow time to visit the cafeteria or engage in any other errands. All student-athletes must organize their books and equipment ahead of time. Student athletes are reminded to leave only at the announced dismissal time and not prior to it.

WVS student-athlete and parents conduct will reflect all the positive qualities of an exemplary WVS ambassador. As school representatives, student-athletes and parents are expected to conduct themselves respectfully and with impeccable manners. This applies to all school situations, whether at WVS or any other school. Student-athletes will be held accountable for behavior outside of school and at other school events, such as school plays. This includes behavior that brings praise and distinction to the school community as well as conduct unbecoming of a WVS student-athlete. Poor sportsmanship, inappropriate language or any form of student misconduct will not be tolerated and will be dealt with on a case-by-case basis. It is an honor and a privilege to be a WVS student-athlete.

Academic concerns will first be discussed between the student-athlete, his/her teacher(s) and the relevant coach (es). If positive results are not achieved or sustained, a case conference involving the subject teacher(s), coach (es) and/or the Athletic Director will be convened. If the matter persists beyond this, parents will be invited to attend a meeting at the school with the Athletic Director and other, appropriate members of staff. Future involvement in the sport (and other sports) would be discussed at this conference, and may ultimately be contingent on the student-athlete's capacity to improve marks in the given subject(s).

Behavioral matters will be managed in accordance with current school policy and practices. Any initial concerns will be addressed by the coach (es) involved, followed by a meeting with the Athletic Director if necessary. If these measures prove unsuccessful, the relevant teacher will be informed in effort to help the student-athlete(s) make the necessary adjustments. If the matter persists beyond this, parents will be invited to attend a meeting at the school with the Athletic Director and other appropriate members of staff. Future involvement in the given sport and other sports would be discussed at this conference.

ACADEMIC DISHONESTY: Cheating or plagiarism on assignments or tests is not acceptable. Those caught cheating, either by supplying, receiving or taking material, will receive an automatic zero for the assignment or test. There is an automatic half day of ISS and automatic Ineligibility for the 7 days after discovery of the cheating.

ACCIDENTS: Any accident that causes injury to a student should be reported on an Accident Report Form, located in the office. Parents of the injured student will be called. If a parent cannot be reached, the student may be taken to the Emergency room at the hospital. All of this will be handled through the office.

ACTIVITY BUS: All participants, spectators and students attending a district activity in a district vehicle who wish to return from the activity in a non-district vehicle may do so only after having their **parent/guardian pre-arrange their return by writing the district office prior to the trip, giving the reason for that request and identifying the person who will be responsible for the student's return.** If prearrangement is not made, students will be required to use district vehicles for their return, or **return only with their parents/guardians.** Students are required to sign-out with coach/sponsor and bus driver before leaving.

ACTIVITY BUDGET: All clubs and classes are expected to keep an accurate accounting of all money collected. All money collected by school organizations is to be deposited with the bookkeeper and a receipt issued for each deposit. Payment of all charges will be made by check from the school office. Purchases must be approved by the Sponsor and Superintendent or his designee before purchase is made. No club or class may write checks or charge unless the charge has been approved by the Superintendent or his designee. All receipts must be returned to the Bookkeeper immediately upon return. All fundraising activities have to be approved by the Student Council and the Principal before planning the event. Clubs and classes will be expected to check with the Bookkeeper each month to balance the books. The ledger books from every organization are to be balanced with the Bookkeeper at the end of the school year and filed in her office.

ACTIVITY SCHEDULING: If a student activity requires the use of schoolrooms, cafeteria, transportation or athletic facilities, the request has to be sent to the student council a minimum of three weeks prior to the date of the activity and then to the Principal for approval. If the activity is approved by the Student Council and the Principal it will be announced and placed on the master calendar. Activities and events are NOT to be advertised before approved.

ASSEMBLIES: At all times, the behavior of students shall be refined and courteous. An indication of the quality of the school is the conduct of its student body. Each student is personally responsible for the impression made by the school as a whole. Students will sit with their teachers during most assemblies.

AUTOMOBILES: Students who will be driving motor vehicles to and from school are required to complete the "Student Driver Information" form and proof of insurance form. Students are expected to drive responsibly. Failure to do so may result in loss of automobile privileges. Students are not allowed to be in private vehicles during the school day. This includes the student's own vehicle. If a student needs to go to their car, they must obtain permission from the office first.

ATHLETICS: It is the duty of all students who participate in athletics to:

1. Obtain a proper physical examination by a physician as to the physical ability of the player to participate.
2. Have proper insurance coverage.
3. Agree to meet proper training rules and regulations as agreed upon by the coaches and the school administration. These will be issued to students by coaches or activity sponsors at the beginning of each year or sport season. Rules and regulations will be signed by the student and parent/guardian and returned to the school.

BIKES/SKATEBOARDS: For the protection of students' health and district property, riding bicycles and skateboards will not be permitted on school grounds.

BUS RULES:

1. Students are to be at the loading points when the bus arrives. Students are to be away from the curb far enough to be out of the line of traffic and be in no danger of being struck by the bus when it makes its scheduled stop.
2. Drivers will not wait for tardy students unless the driver can see the student coming to the bus.
3. Students are not to save seats for other students and are to take their seats promptly after boarding the bus and remain seated until the destination is reached.
4. Students shall not leave their seat while the bus is in motion, nor shall they speak to the driver while the bus is in motion except in case of an emergency.
5. Eating or drinking is not permitted on the bus.
6. Students are not to open or close windows on the bus except when asked to do so by the driver, nor are they to tamper with the emergency doors or any part of the bus equipment. Students are not allowed to throw anything out of the

window and are to keep their hands, arms and heads inside the window at all times. Students should not shout out the window.

7. The aisle of the bus is to be clear of books, backpacks or any other items at all times.

8. Students are to face the front of the bus when getting off and keep one free hand to grasp the handrail when descending the steps.

9. After getting off the bus, students crossing the road must cross in front of the bus. The driver will tell you when it is safe to cross.

10. Parents should notify the driver when a student will not be riding. Permission to board or get off the bus at other than the designated stop must be cleared through the office ahead of time and a written note given to the driver.

11. Students should report any damage to the bus promptly to the driver.

12. The Weldon Valley School District Code of Conduct applies to all students on a bus.

BUS DISCIPLINE PROCEDURES

A bus driver will call the parent/guardian if there is any questionable behavior on the bus. The first time a rider receives a "Pupil Behavior on School Bus" Form, it will be considered a first warning. The bus driver will call the parent/guardian and discuss the incident. The second time a rider receives this form; the student, the bus driver and the Principal will meet. A copy of the form will be sent to the parent/guardian. The third time the rider receives the form, the Superintendent, Principal, bus driver, parent/guardian and student will meet and discuss the possibility of removing the privilege of riding the school bus. The final decision will be a directive from the Weldon Valley Board of Education through the Superintendent/Principal.

CELL PHONES:

All students are allowed to bring cell phones to school. However, cell phones may not be used in such a way that they disrupt the learning process, lead to academic dishonesty, or cause problems between students (such as sending text messages that could upset or anger another student).

At the secondary level (7-12 grades) students will be allowed to use phones before and after school, during lunch. No phone usage would be allowed at any time other than those specified in this policy.

Students will have to abide by the policies outlined above. Any usage of a cell phone deemed inappropriate by a staff member or otherwise in violation of this policy would result in the cell phone being taken from the student. For a first violation, the phone will be held by the teacher and returned at the end of the class period. For a second violation, the phone will be held in the front office until the end of the day. For a third violation, the phone will be held in the front office until a parent/guardian picks it up. Any serious violation could result in immediate and/or permanent revoking of cell phone privileges. Weldon Valley School District is not liable for lost or stolen phones. Refusal to turn the phone over to any staff member is insubordination and results in the phone being confiscated and parents must come get it from the office. This offense eliminates the first time confiscation of the phone and the insubordination will be handled by the office.

CHAIN OF COMMAND/HOW TO EFFECTIVELY COMMUNICATE WITH SCHOOL OFFICIALS:

Parents are often discouraged when they attempt to communicate with central office administrators and school board members and are sent back to building-based officials in order to resolve a problem their child may be experiencing in school. To prevent that frustration, parents can become informed about the "chain of command," or where to begin the communication sequence regarding their problem or concern.

Many parent and community questions are easily and completely answered by communicating directly with the educator in charge of the class or program. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the chain of command. The easiest way to communicate is via e-mail, and a phone call is the next preferable way. Contact information such as e-mail addresses and phone numbers can be found on the district website.

These individuals have the responsibility of being role models of the highest order and shall not be allowed to serve unless the following standards are met:

1. Academics: Officers shall maintain a minimum grade of "D" in all classes. If a grade falls below a "D" in any class, the officer shall be removed from office for a minimum of nine weeks and until all grades reach a minimum of "D". Any officer, who in the judgment of the advisor or organization is not meeting his/her responsibilities, may, after three warnings, be removed from office. Serving in a peer leadership role is a serious responsibility. All students who seek such positions shall be expected to treat their responsibilities as an opportunity to serve-not as an opportunity to receive individual gratification.

Club and Class Officers will be asked to sign a form each year indicating their commitment to the Class/Club Officers Code of Ethics.

Parent Notification: If a student is removed from office, or if membership is suspended, the student's parents/guardians will be notified immediately by the sponsor/advisor.

Only disciplinary actions which result in the removal from office or membership for the remainder of the school year may be appealed to the Student Activities Council. All other disciplinary actions

are the sole responsibility of the advisor. The Student Activities Council is comprised of the following: 1) Principal 2) Two Class Sponsors 3) Student Council Advisor 4) Two Student Representatives. The Council is appointed by the Principal at the beginning of the school year. All decisions of the Student Activities Council are final.

The list, as follows, includes only the most common infractions. Other forms of inappropriate behavior, not listed, will not be tolerated. Colorado law mandates suspension/expulsion in matters, which present danger to the welfare and safety of others, and in cases where a student is habitually disruptive.

LEVEL I VIOLATIONS:

Level I violations will be handled by the classroom teacher, the school personnel on supervision duty, or the school administration. First violation is a warning, time-out and/or detention. Incidents referred to the office for detention will be documented. School personnel will notify the parents/guardians and a copy of the disciplinary incident will be entered into Infinite Campus. Students who fail to show up for scheduled detention or are late or who fail to bring material to work on during detention may have that time doubled. Students in detention will work on class assignments, work on reading material, or perform clean-up duties in or around the school. Repeated Level II violations will result in progressively more severe disciplinary actions. Students who accumulate any combination of 4 Level I or Level II violations in the classroom or at school or school events will be placed on Level III which will mean immediate suspension.

DRESS CODE: Your faculty and the Board of Education are concerned about student dress and grooming as it influences the health and safety of students as well as the effect of dress and grooming on the learning process and with the ability of a student to do the work of which they are capable. Cleanliness of

body and dress is vital not only to the individual but also to those with whom the student shares a classroom or locker. Students should not wear clothing or hair that can be hazardous to them in their various school activities, such as shop, labs, athletics, P.E., art, etc. Grooming and dress that prevents the student from doing his/her best work because of blocked vision or restricted movement, or that exposes the students to accidents must be avoided.

Neatness, health, modesty, and common sense are the guidelines that dictate student dress and appearance at Weldon Valley Junior/Senior School. During the school day, dress code guidelines include:

1. All clothing must be hemmed
2. No torn, ripped or cut out clothing that is disruptive to the educational environment.
3. No clothing that allows midriff to show
4. No see through shirts, muscle shirts and shirts with narrow straps or spaghetti straps. Straps for a shirt must be 2 inches wide of continuous material.

Penalties will be determined by the Superintendent/Principal according to the school's conduct and discipline code. This policy is not intended to discourage students, faculty or parent groups from recommending appropriate dress for school or special occasions. It is intended to ensure that a student will not be prevented from attending school or a school sponsored activity or otherwise discriminated against because of appearance, if style, fashion or taste is the sole criterion for such action.

EARLY STUDENT ARRIVAL: Students are not allowed to come in to the school until 7:20 a.m. unless they are with a teacher or staff member.

ELECTRONIC DEVICES: Unauthorized use of electronic devices in the building during school hours is not allowed. First violation- electronic device will be taken away and held in the main office until the end of the day, Second violation- cell phone or electronic device will be held in the main office and a parent conference is required to retrieve the device. 3rd and subsequent offense requires parents to pick up the device and ISS accrual for each offense thereafter.

ELIGIBILITY-ATHLETIC/ACTIVITY: All students are academically eligible for the first two weeks of each semester if they earned 2.5 Carnegie credits the prior semester (1st year freshman are exempt their first semester), WVS will issue a weekly eligibility list to coaches during the season. Eligibility will be taken every Thursday at approximately 12:00 p.m. Those athletes with two or more failing grades will not be eligible for contests taking place the following Monday thru Saturday. Eligibility is cumulative through the Semester. Parents will be notified the first time a student is considered to be ineligible (each student receives one warning week per semester.) Any student whose name is placed on the ineligible list in any subject will have the opportunity to attend academic support. A point system will determine if a student is eligible. If a student has 2 points or more they will be ineligible. D= 1 point F= 2 points. A student may be declared ineligible because of discipline or other infractions of school rules subject to approval of the Principal.

Suspension, unexcused absences, and truancies forfeit the right to participate in any activity that day or the following if it is a Saturday. Ineligible athletes are not to travel with the team. Home School students must turn in weekly eligibility forms to their coach on Thursday. Failure to do so will make those students ineligible for that week (eligibility forms may be picked up at the Athletic Director's office).

No student will be allowed to leave the school during a school day for school activities unless they are eligible. Ineligibility refers to participation in any extracurricular activity including field trips, dances and transportation to any school activity.

EMERGENCY CLOSING: Any time school is to be closed due to dangerous weather conditions or other emergencies, the notice of closing will be sent through School Messenger as soon as we make those decisions. All efforts will be made to have this information before 7 a.m. barring acts that come about during the school day.

EVACUATIONS AND EMERGENCY PROCEDURES: Fire- Practice drills will be held during the year. At the sound of the fire alarm, EVERYONE is to leave the building. Treat any fire alarm as if it were the real thing-it may be! If you are not in a classroom at the time of the alarm, use the nearest exit. Walk; do not run, completely away from the building (at least 200 feet). Do not re-enter the building for any reason! The teacher should be the **last** person to leave the classroom and should close the door behind them for fire drills. The bell will be rung as a signal to return to the building or announced on the intercom. When the "all clear" signal is given, return to the class that was interrupted. **Tornado-** Practice Drills will be held during the school year. At the sound of the tornado

alarm, teachers and students will walk to their designated shelter areas within the school. Shelter areas and evacuation procedures are posted in the classrooms. When the "all clear" signal is sounded, teachers and students will return to class. **Lockdown**-Practice drills will be held during the school year. Students will remain in their classroom in a designated area during lockdown. If evacuation is necessary students and teachers will follow the posted evacuation procedures. **Lockout**- Practice drills will be held during the school year. Normal activity within the school continues but no one is allowed in or out of the building.

FEES: An activity fee of \$20.00 is charged for all JH and HS students. This fee covers admission to all home games and the school play. There is a \$50/ sport fee and \$200 max/family fee on sports for a year.

FINAL EXAMS: Final exams are administered at the end of each semester in all high school classes. The final exam is cumulative and worth at least 10% but no more than 30% of the semester grade. Students may be exempt from taking final exams by scoring "Advanced Proficient" on state proficiency tests or 90th percentile on Scantron/Performance tests in that subject. They cannot be less than proficient on either test to be exempt from finals. Seniors will not be required to take the second semester final if they have an A or B in the class.

Fund raising drives by non-school agencies are not permitted in the school unless approved by the Superintendent. Tickets to affairs sponsored by and for non-school agencies shall not be sold or taken on any school premises by students or teachers without the approval of the Superintendent.

GRADES, FAILURE AND RETENTION: All students are expected to maintain passing grades. Failure to maintain a passing grade will result in loss of credit for those classes in which a passing grade is not maintained. Two or more failing grades may result in retention if the classes in question are Social Studies, Language Arts, Math and/or Science, each counting one credit and elective courses counting 1/2 credit.

GRADING SYSTEM: Letter grades, as well as percentage, will be recorded on report cards. Letter grades will only be recorded on Official Transcripts and Student Files. The conversion table is as follows for Junior High and High School students: A-100-90, B- 89-80, C- 79-70, D-69-60, F- 59-0

HALLWAY/LOCKER DECORATIONS: Please be aware of rules regarding hallway and locker decorations. Nothing may be stapled or taped to the ceiling tiles, walls or lockers. Before decorating a hallway, the sponsor of the

organization, which will be decorating, must indicate to the office the time the decorations will carefully be removed and the persons responsible for removal.

HONOR ROLL/PERFECT ATTENDANCE AWARDS: Honor Roll will be published at the end of each semester. A student with Straight A's (4.0) will be on the Straight A Honor Roll. A student with a B (3.0-3.9) grade point average, with no grade lower than a C, will appear on the regular Honor Roll. Perfect Attendance awards are computed each semester. Students with excessive tardies (3 or more) will not be eligible for Perfect Attendance Awards, since three tardies is equal to 1 absence.

INSURANCE: Weldon Valley School will send home insurance information with each family at registration. Parents will have the option to purchase this insurance or use their personal health insurance. All athletes must have proof of proper coverage in order to participate in sports. The school district does provide catastrophic insurance for all students. Please review the policy in the office for specifics.

LEAVING SCHOOL EARLY: No one will be allowed to leave school without parental approval and checking out through the office. Students may not leave in their vehicles unless they have a written note or prior approval from a parent/guardian that has been turned into the office.

LIABILITY POLICY: Weldon Valley School District assumes no liability for any personal vehicles or materials brought to school by students, staff, or patrons.

LIBRARY RULES AND REGULATIONS:

1. All books, magazines and reference materials must be checked out by the librarian.
2. Students using the library should be considerate of others.
3. Library books are checked out for a two-week period.
4. Lost book charges will be assessed at the current replacement cost of the book.
5. Reference books and magazines may be checked out but must be returned the next day. Students may bring reference books back and check them out for an additional day if another student has not reserved the book.

LOCKERS: The Counselor will assign lockers the first day of school. Lockers must be kept neat and clean. They are the property of the school and can be searched at any time. Locks for athletic and P.E. lockers will be supplied through the Head Custodian. Personal locks will not be permitted.

LUNCH BREAK: Weldon Valley School maintains a "Closed Campus." Students are not allowed to leave the premises at lunchtime unless they live

within walking distance of the school and can walk home and return to school within the 29-minute lunch period. A signed Parent Permission Form is required. Students may not drive when leaving school at lunchtime. **Parents should not call or send a note-excusing a student at lunchtime unless it is an emergency situation.** Students may not have food brought in by others that would be in competition with the school lunch program. Fast food restaurants purchased that day may not be eaten in the cafeteria during lunch. Parents may sign out and pick up their child and take them to lunch once per semester as long as the student leaves and returns during the scheduled lunch period (12:05 p.m. - 12:34 p.m.) Detention will be assigned if the absence of the student is outside of the scheduled lunch period. Lunch prices for 2019-2020 are \$2.50 for grades K-5, \$2.75 for grades 6-12 and \$3.00 for adults.

MAKE-UP WORK: Class credit is associated with the number of hours spent in class. It is essential for students who have been absent from school to make up the work they have missed. The amount of time allowed to complete make-up work is twice the number of days missed; however, an extension of this time limit may be approved for extenuating circumstances. For clarification of this, an example of twice the time means that if 3 days are missed for an excused absence, the first assignment is due the second day back; the second assignment is due the fourth day back and the 3rd assignment is due the 6th day back. It is preferable to make things up as soon as possible, rather than later.

MEDICATION AT SCHOOL: Students who need to take medication at school shall have written permission from their doctor and their parent/guardian on file in the office. Medication must be in the original properly labeled container and will be kept in a locked file. This includes aspirin, Tylenol, etc. No over the counter medication will be supplied by the school or school personnel. Students prescribed to carry an inhaler may do so and should have their parents complete a medication approval form. Approval forms for medication at school are available in the main office. **Medication carried by students without proper authorization is a violation of the District Drug and Alcohol Policy.**

NATIONAL HONOR SOCIETY: Selection into National Honor Society shall be made by the Faculty Committee once every year, based on eligible students meeting the requirements of the cumulative grade point average of at least 3.5 for three consecutive semesters, service to school and community leadership and good character. **Community service is highly recommended.**

Academic Support: Academic Support will be another opportunity for students to work on academics. It will be required for those who have excessive tardies or absences to make up time they have missed. Any misbehavior or lack of cooperation will result in no credit for attendance. Parent/guardians are responsible for transportation for students attending Academic Support. Failure to show for Academic Support will result in immediate loss of eligibility. A second failure to attend Academic Support will result in a Level III violation.

OVERNIGHT TRIPS: All overnight trips for any school class or club must be approved by the Board of Education one month in advance. Cost of the trip, participants and sponsor and any other details pertaining to the trip must be presented to the Board at a regular session.

PUBLIC DISPLAY OF AFFECTION (PDA): Students that choose to show affection to a partner during school time or at a school function shall be limited to holding hands. Kissing, groping, and hugging are not allowed during school time or at school functions. Normal dancing practices will be allowed at school dances. Provocative dancing practices, as determined by dance sponsors, will not be allowed.

SEXUAL HARASSMENT: The district is committed to maintaining a learning environment that is free from sexual harassment. It shall be a violation of policy for any staff member to harass students or for students to harass other students through conduct or communications of a sexual nature or to retaliate against anyone that reports sexual harassment or participates in a harassment investigation. Students who believe that they have been subject to sexual harassment may report the incident to any teacher, counselor or principal as outlined in the district sexual harassment policy. All reports received will be forwarded to the compliance officer. The compliance officer shall attempt to resolve any complaints. The complaint forms may be obtained in the office.

STANDARDIZED TESTING: Students are tested throughout the school year with formal standardized tests. Testing provides an instructional pathway for teachers and guides district planning.

STUDENT DISTRIBUTION OF NON –CURRICULAR MATERIALS: The student's right to free speech has some limitations in the school setting because of the unique nature of the school community. Students shall be allowed to distribute non-curricular written materials on school property subject to restrictions of time, place and manner of distribution as set by Board policy. Students who wish to distribute non-curricular printed materials on school property or in conjunction with a school activity must notify the principal a minimum of one day in advance so that details may be worked out regarding the allowable content of printed materials and the time, place and manner of distribution.

STUDENT ILLNESS/INJURY: A student who becomes ill while at school will be seen by the school nurse if possible. If a student must be sent home because of illness, the parent/guardian will be contacted and asked to pick up the student. If the parent/guardian cannot be reached, the student's emergency contact will be called. In the case of severe injury or illness threatening to life or limb and requiring immediate medical attention, district personnel will contact 911 to notify emergency health personnel and will also attempt to contact the parent/guardian or emergency contact to inform him or her of the status of the student and to request that the parent/guardian proceed to the hospital immediately.

STUDENT VISITATION: Individuals who visit from another school are allowed to visit Weldon Valley Jr/Sr High for one day per year. One day prior to the visit, the hosting student must have a "Visitor Permission Slip" signed by all the teachers whose classes will be visited. It must also be signed by the Superintendent/Principal. If the visitor will be riding a bus, the bus driver must have a written notice the day before. This notice must include written permission from the visitor's parents and responsibility for liability. Students that request school or lunch visitation with a non-family member will be considered by a case by case basis.

STUDENT WELNESS: Breastfeeding students shall be allowed a flexible schedule for nursing or pumping. The time allowed will not exceed the normal time allowed for lunch. If additional time is needed, above and beyond normal meal time, the administration and student/parent will agree upon a plan.

TELEPHONES: A telephone in the secondary foyer is designated for student use and may be used by students in emergency situations. Cell phone use is covered in a separate policy. Students should make arrangements for outside activities or changing bus plans ahead of time with a note from their parent. Repeated use of the phone for these reasons does not qualify as emergencies.

TEXTBOOKS AND STUDENT PLANNERS: Regular classroom textbooks and student planners are provided free of charge. Loss or damage will result in students paying a fine to replace the book(s) and planner(s). The replacement cost for a student planner is \$5.00. Students enrolled in MCC classes, on-line classes or distance learning classes may be responsible for purchasing their own textbooks for those classes.

TUTORING: Tutoring sessions for students in grades 7-12 will be offered during Academic Support. Please contact the counselor for specific information on “Academic Support.”

CARNEGIE UNITS AND SEMESTER CREDITS: One Carnegie unit is equivalent to a yearlong course carrying 1.0 credit or two semester courses of .5 value each. One semester credit is the credit earned by a passing grade in any class, which meets four times a week for eighteen weeks. A semester grade is determined by averaging together all the grades throughout the semester. The semester test should also be considered in the overall grade. The semester credit and the grade earned are recorded on the student’s permanent record. A student will be given a grade at the end of the first semester and at the end of the second semester only. A final yearly grade is not computed or recorded.

GRADUATION REQUIREMENTS: Graduation requirements will be based on the units of credit earned in grades 9-12. Credit will be given at the rate of 1/2 unit per semester per class in which the student achieves a passing grade. Each semester of a course must be successfully completed. In the event of failing a semester of a one-year required course, the student will be responsible for re-taking and completing the failed semester until a passing grade is achieved. (Grade levels on this document are general guidelines.) A minimum of 26 Carnegie Units is required for high school graduation.

CONCURRENT ENROLLMENT: The Board believes that students who are capable of and wish to pursue college level work while in high school should be permitted to do so. It is the goal of the Weldon Valley School District to provide the best educational programs possible to the students of our district. There are two options in state law available to high school students meeting specified criteria for post-secondary study.

Any 10th, 11th or 12th grade student who is under the age of 22, who is deemed by the student and his/her parent/guardian on the advice of his/her superintendent/principal to be in need of course work at a higher academic level than that available at his/her school, who is deemed by the school to show a high degree of maturity and responsibility, who is deemed by the high school to be in need of a different environment, and who has given two months' written notice to the school district shall be eligible to apply to an institution of higher education for enrollment through concurrent enrolment program. The written notice shall specify the courses in which the student intends to enroll. The student and parent/guardian will be required to sign a Concurrent Enrollment Program Contract. Academic credit granted for course work successfully completed by a student under this program shall count as high school credit toward graduation requirements unless credit is denied by the principal and the denial is upheld by the superintendent on the basis that such credit is inappropriate. An appeal with the Board of Education may be provided in the event a student is denied high school credit. A student participating in this program shall still be considered as enrolled in the district and eligible for all

high school activities. The program is not available for summer school. When a student enrolls in courses at an institution of higher education for high school credit, the school district and the participating institution shall enter into a written cooperative agreement, which shall include payment of tuition. The agreement shall include statements that any courses taken by students under this program shall also qualify as credit toward earning a degree or certificate at the institution of higher education. The school district will not pay for books **or fees**. The school district shall pay tuition for up to two post-secondary courses taken by a student for dual credit in any one academic term and the district will only pay for up to 24 credit hours during the student's high school career. The student and/or his/her parents/guardian shall pay tuition charged by the institution of higher education for any course beyond two in any academic term and any course above the 24 credit hour limit. The student and/or his/her parents/guardian shall reimburse the district for all tuition paid by the district for any failing grade (a "D" or below) that is received by the student for a course taken at an institution of higher education.

Fast Track Program: Any student who has completed the requirements for graduation may take one or more higher education courses during his/her senior year. The student shall remain eligible for sanctioned high school activities if he/she meets the academic and residency qualifications. Tuition for higher education courses shall be paid by the district in accordance with the formula in the concurrent enrollment program. The district shall not be responsible for the costs of transportation, room and board, fees, books or equipment.
