

PowerSchool Mobile App

PowerSchool Mobile app gives **parents and students** access to real-time information on grades, attendance, assignments, scores, and comments. With a clean, easy-to-use interface and intuitive design, the app allows parents to monitor their child's proficiency on standards and register to receive immediate alerts specific to their child.

Features of PowerSchool Mobile App:

- Access from iOS or Android mobile devices
- Access student homework assignments
- Real-time grades and attendance
- Teacher comments
- See all of your children under one parent account
- Daily bulletin board
- Course schedule
- Integrated family calendar
- Fee transactions and balance
- Automatic email messaging
- Instant push notifications for attendance or grade changes
- Track each student with grade trends

PowerSchool Mobile is available to Parents and Students to download for free as a combined Parent and Student app from the App Store for the iPhone®, iPad®, iPod touch® and Apple Watch, or on Google Play for Android devices.

Creating Parent Account

You will need a parent sign in account to link to your student. If you do not have one you will need to create one by

1. Go to <http://powerschool.nobleps.com/public/>
2. Click on **Create Account tab** at the top of the page and click **Create Account**
3. On the Create Parent Account page enter your information and email. Then under Link Students to Account enter your **Student Access Id** and **Password** you received from the school. The Relationship is your relation to the student (such as Father or Mother)
4. Click **Enter**
5. When you launch the app it will ask for: The district ID: which is **RXKH**
6. Note that during the summer and first few weeks of the year parent access may not be available.
