Family Support Newsletter | Winter 2020 | Issue 2

A NEW YEAR!

Welcome to 2020! It is officially time to begin our second round of home visits. By this time, you have identified a goal for yourself and/or your family, and have likely made some progress towards or even completed this goal! This visit is a great opportunity to "catch up" with your family support coach, check in on your goal(s) and celebrate what you've accomplished so far this year. We will also have important information about getting your child registered for kindergarten or re-enrolled in ECEAP for next year, depending on their age.

GET INVOLVED

There are many ways to be involved! Being involved in your child's education--through volunteering, attending family events, and communicating with your child's teacher and family support coach--will help set your child up for success. If you would like to become a volunteer, contact your family support coach. If you can't volunteer, we have other ways to be involved. Every month we offer a family night or class, and our ELC Cafe parent group meets one Friday a month.

GET READY!

It's almost time to "March into Kindergarten!"

If your child is turning 5 before August 31st of this year, they will be going to kindergarten next year! Ask your family support coach for more information and how to register.
