## BARRY HITS 1000

Taylor Barry scored her 1000th point during the Charleston Tourney over the Holiday break. Taylor hit the milestone point while shooting a free throw during the game against Cairo. The Lady Titans, Coach Morrissey, and the crowd took a moment to celebrate Taylor's accomplishment before the game continued. Taylor, a Junior, loves the game and hopes to continue playing in college. Congratulations Taylor Barry!

## REWARDING FRIDAY

Our Junior High Students who met grade and behavior goals during the second quarter of this school year were rewarded with a pizza party Friday. Administration, teachers and staff set up the pizza lunch in the main hallway and served pizza, pop and dessert to students who earned the reward. The number of students in 6th, 7th and 8th grades who were eligible grew this quarter. We hope to everyone at the next event!

## TOURNEY HONORS

The Tri-County Lady Titans participated in the Charleston Hilton Tournament over the Holiday break. Congratulations to the Titans, who placed 5th overall in the tourney. Special congratulations to players, Taylor Barry and Bella Dudley, who were honored by being named All Tourney Team players. Great job Titans!

## ALWAYS LENDING A HAND

On December 11th, PIP held their annual "Terrific Traditions" group activity. The activity has been a favorite of PIP families for years and part of the reason is Sharon Pine's cinnamon dough ornaments. Sharon makes the dough and brings in the supplies for the children to make their own ornaments and possibly start a new family tradition. Mrs. Pine worked at Shiloh as an aid for years and now comes back to volunteer on a weekly basis. Whether she is making ornaments or helping our teachers prepare for the week ahead, Sharon is always here to lend a helping hand. The students and faculty at Shiloh appreciate everything you do!

## CHAMPIONSHIP FIGHT

Our Tri-County Titans hosted the Kansas Holiday Tournament over the Holiday break. Our own Titans went all the way to the Championship game where they played Paris. The titans fought hard but fell to Paris by only three points earning second place in the Tournament. Senior, Mitch Pollock, was named Tourney MVP and Junior, Cole McClain, was chosen for the All Tourney Team. Congratulations to all of our players for a great tournament.
