

## Welcome to 1st Grade

Welcome to one of the most exciting years your child will have in his/her school career! During the year, your child will continue to read, write, add, subtract and so much more. We hope to instill a love of learning that will last throughout your child's years of schooling.

So much happens in first grade. Throughout the school year, it is our goal to instill independence and have students begin to take ownership in their learning. It is extremely important to keep in mind that we build on small successes. Each child will progress at his/her own rate, acquiring skills as he/she is developmentally ready. Maintaining each child's self-esteem and building a secure foundation for future growth will always remain a priority in our first grades.

## Homework

Students are responsible to complete homework as given. This is to keep you informed on what your child learned in school that day as well as to practice and strengthen their skills.

## Assessments

We use a local assessment, MAPs for Primary (Measures of Academic Progress) and AimswebPlus for benchmark data. AimswebPlus is also used to monitor our students' progress in the areas of math and reading.

## Specialty Areas

Art: Mrs. Zastrow

Music: Mr. Babiarz

Physical Education: Mr. Hanus

S.T.E.M.: Mrs. Williams

## Support Services

Learning Resource: Ms. Jordan

Reading Support: Mrs. Engel

# Trimester 1

## Language Arts: ReadyGEN

- Michael Heggerty Phonemic Awareness
- Whole Group & Guided Level Reading
- Words Their Way Word Building and Spelling
- Penmanship
- Grammar
- Sentence Construction
- Narrative, Informative, Argumentative Writing

## Science: NGSS aligned

- Life: Plant and Animal Parts
- Physical: Structures and Functions, Light and Sound
- Earth: Sky Patterns: Moon and Sun

## Math: enVision 2.0 Common Core

- Reasoning with 2D and 3D Shapes
- Fact Fluency for Addition and Subtraction within 20
- Problem Solving within 20

## Social Studies: TCI Social Studies Alive!

- School Communities
- Citizenship
- Rules / Voting

# Trimester 2

## Language Arts: ReadyGEN

- Michael Heggerty Phonemic Awareness
- Whole Group & Guided Level Reading
- Words Their Way Word Building and Spelling
- Penmanship
- Grammar
- Narrative, Informative, Argumentative Writing

## Science: NGSS aligned

- Life: Plant and Animal Parts
- Physical: Structures and Functions, Light and Sound
- Earth: Sky Patterns: Moon and Sun

## Math: enVision 2.0 Common Core

- Organize and Interpret Data
- Tell and Write Time on a Digital and Analog Clock to the Hour and Half Hour
- Count, Read, Write and Represent Numbers within 120
- Fact Fluency for Addition and Subtraction within 20
- Problem Solving within 20

## Social Studies: TCI Social Studies Alive!

- Traditions
- Economics

# Trimester 3

## Language Arts: ReadyGEN

- Michael Heggerty Phonemic Awareness
- Whole Group & Guided Level Reading
- Words Their Way Word Building and Spelling
- Penmanship
- Grammar
- Novel Read Aloud
- Narrative, Informative, Argumentative Writing

## Science: NGSS aligned

- Life: Plant and Animal Parts
- Physical: Structures and Functions, Light and Sound
- Earth: Sky Patterns: Moon and Sun

## Math: enVision 2.0 Common Core

- Place Value of Tens and Ones
- Compare 2-Digit Numbers
- Measuring Objects with No Gaps or Overlaps
- Fact Fluency for Addition and Subtraction within 20
- Problem Solving within 20

## Social Studies: TCI Social Studies Alive!

- Maps
- Fire Safety
