

Family & Community Guide to Great School Communication

Our RSU #34 staff works hard to communicate well with families and our community, sharing celebrations, progress, and needs!

Here we share some tips for initiating communication with staff.

Email addresses and staff phone numbers are all on www.rsu34.org

School Office phone numbers are: Alton Elementary School (394-2331), Leonard Middle School (827-3900), Old Town Elementary School (827-1544), Old Town High School (827-3910), and Viola Rand School (827-2508)

<p>Communicating Celebrations</p>	<p>→</p>	<p>Please share good news with us! We work hard to help your children develop academically, socially, and emotionally...whether the child is 4 or 18, it means a lot to hear stories of the results!</p>
<p>Questions about Activities</p>	<p>→</p>	<p>Ask away! Whoever is leading the activity or the school secretary is a great place to start with questions.</p>
<p>Questions about Learning</p>	<p>→</p>	<p>Ask away! Please start with the educator directly involved. Your child's teacher can also help you start referrals if you think extra supports, extensions, or enrichment would be helpful.</p>
<p>Other Questions & Concerns</p>	<p>→</p>	<p>Ask away! Please start with the educator or coach closest to the action - they're best positioned to provide information or act on your question / concern.</p>
