DISCUSSION SNAPSHOT

Building Reports: Appreciation was given for the data and information that was presented to the Board of Education.

Truancy Discussion: Dr. Asplund asked Mr. Spring to lead the District outreach workers through a time study. The intent was to find out how they were spending their time in buildings. Dr. Asplund reminded the board what part of the outreach position was created for, to help reduce truancy. The Board will have more information presented to them at the February meeting.

Building and Grounds Committee Report: Member Lyon and Member Walters presented a report to the Board. The report included updates on the current building construction projects. The Board also discussed possible options for the future auditorium at Galesburg High School.

2020-2021 School Calendar: The Board reviewed the proposed calendar for next school year. The calendar will be voted on during the next Board of Education meeting in February.

PRESS Policies: The Board asked for further clarification on some of the proposed policies..

Next Board of Education Meeting: February 10, 2020
