

Policy 1.12.1R
EQUITY POLICY ON COMMITTEES
Effective: 3/17/1992

The Russellville School District shall ensure that the appointment of all district-wide and school based committees is made in a non-biased and equitable manner which results in committees that have knowledge of educational programs for a diverse student population.

1. The composition of these committees shall reflect the diversity of the District in terms of sex, race, neighborhood, economic level, and handicapping condition.
2. Equity committees shall be composed in such a manner to create support within the District among the District's patrons.

The District shall have an Equity Coordinator and this responsibility shall be a part of the Director of special Education position. The Equity Coordinator will organize and direct the Activities of the District-wide Equity committee. The Equity Coordinator shall also be responsible for investigations involving equity issues and grievances.
