Instilling A Culture of Resiliency at PCS

By: Thomas J. Simon, Superintendent

"Everyone can rise above their circumstances and achieve success if they are dedicated to and passionate about what they do." – Nelson Mandela

Portville Central School's faculty and staff are most certainly dedicated and passionate about what they do, and it has caused us, as an organization, to rise above the circumstances this global pandemic has brought us.

Pride Creates Success and Success Creates Pride, and oh how we have met with success this school year! We have done what needed to be done for our students and this community. And, as always, we have done it spending less money per pupil than any school in the Southern Tier. We have done more with less.

Doing more with less has been something we have done as a necessary circumstance of being chronically underfunded by NYS. In 2008 there was legislation passed to fully fund schools through a Foundation Aid formula in-

tended to fairly and fully fund schools. Foundation Aid is a pool of general money that can be used for anything the district wants to use it for; it is the largest pool of aid we receive from the state.

Unfortunately, the Foundation Aid formula was not followed. It was derailed when the 2008 financial crisis occurred. Since that time, some schools have been fully funded, and some schools (including some local schools) received more than the law allotted under the Foundation Aid formula. PCS however, has been underfunded this entire time. In fact, the formula this year would require the state to provide PCS an additional \$3.7 million dollars.

This year, as part of the state budget, NYS passed legislation to fully fund the Foundation Aid formula to make up the funds that some schools have been shorted, and to do so over the next three years. This resulted in PCS receiving nearly a \$1 million dollar increase in Foundation Aid this year. It also calls for us to receive an additional \$2.5 million dollar increase in Foundation Aid over the next two years. This is very exciting

for the potential program enhancements we will be able to provide our students and the positive impact on local taxes for years to come. With this said, we also know that the state has made promises they have not kept regarding Foundation Aid in the past, so we will have to take a "wait and see" approach to our future funding, but it certainly gives rise to some very optimistic anticipation.

This year's tax levy increase will be 0%. We hope to keep taxes flat in the coming years, but this will largely depend on whether we get the funds we have been legally obligated to have received, but have been shorted for over a decade.

Regardless, we will continue to overcome whatever challenges come our way and press forward, giving our students the best opportunities we can with the resources we have. Over the past few years, we have been providing programming and instilling a culture of resiliency here at PCS. This focus stands in stark contrast to the culture we are living in – and it has made all the difference.

BOE Candidates Seeking Election to Fill Three Vacancies

Three Portville Central School Board of Education Seats to be Voted on May 18, 2021

At the time of the budget vote on May 18, 2021, three (3) positions for the Portville Central School Board of Education will be voted on.

The terms of incumbents Steven Andrianoff and Christopher Kloc will expire on July 1, 2021. Additionally, due to the resignation of Cheryl Wood from the Board of Education, the remainder of her term (expiration on 7/1/22) will need to be filled.

Steve Andrianoff, who has served as a Portville Board of Education member since July 1, 1995, has decided not to seek re-election.

Chris Kloc is seeking another 5-year term. He has been on the board since 2011. Chris is a Controller for Portville Truck & Auto Repair. Chris states that he has a genuine interest in the Portville Central School District as he has lived in the district his whole life

and has two sons who graduated from his and his wife's alma mater. He believes that it is one of the best districts in Western New York in both the quality of education and the financial efficiency with this this has been achieved. It is his "goal to ensure that PCS continues to provide an excellent education while being fiscally responsible."

New candidates running at large for the other two open seats are Deb Jordan and Jennifer Faulkner.

Jennifer Faulkner works as a Laboratory Administrative Director for Upper Allegheny Health System. She has a BS in Chemistry and is a licensed/registered Clinical Lab Technologist. Jennifer is President of the PCS Music Boosters, is a member of the Sports Boosters, has been a Portville Youth Soccer Coach, assisted with Boy Scout Troop 631, and is a Connect Life Blood Drive representative. Jennifer hopes to represent different groups in the community and feels strongly about parent/community involvement in our education system. She has a personal interest in preserving and improving the quality of our school system as a Board of Education member. Jennifer Faulkner and her husband, Chad, live on Faulkner Road in the Portville School District with their children, Cole, Owen, and Anna.

Deb Jordan is an Administrative Medical Assistant at the office of Dr. William Jaremko. She is a proud graduate of Portville Central School. Deb is active in Sports Boosters and was the former Vice President of the Music Boosters. She has been a volunteer at the Olean Food Pantry for over 10 years, in addition to many other volunteer organizations. Deb and her husband, Mike, live on Coon Hollow Road in Portville with their daughter, Emily, who is currently at junior at Portville Central School. We are excited to welcome new members to the Board of Education and want to thank Steve Andrianoff for dedicating so many years to the Portville Central School District and community. Elementary Academic Honor Roll, 2nd Quarter

Elementary honor roll for our fourth, fifth and sixth grade students was announced at the end of the second marking period in January. Mr. Corder and Mrs. Griffith visited each den and handed out honor roll certificates. As we were not able to gather for a reception in the cafeteria as we usually do, students enjoyed big cookies as a take home treat.

Elementary honor roll recognizes students in grades 4-6. The honor roll criteria is an 85 or above in core subjects. We are very proud of our honor roll students this marking period! A very special thank you to PATHS for sponsoring our academic honor roll recognition this quarter!

PCS Senior Qualifies for Virtual All-State

Congratulations to senior Kaleb Shaw!

He represented Portville Central School in the New York State School Music Association (NYSSMA) All-State Virtual Concert on Sunday April 11 at 4:00 pm (www.nyssma.org). This outstanding singer scored a 100 on his vocal solo and was selected to participate with 900 of the top student musicians in the state!

Every other year, only those selected for All-State are considered for the All-Eastern Honor Ensembles. Kaleb is the only student from Cattaraugus County who was part of the All-Eastern Honor Choir. He was one of six chosen from NY to sing Tenor 1 in the 270 member Mixed Chorus. The 2021 National Association of Music Education (NAfME) Eastern Division Virtual Concert was held on April 23.

Performing music live has not been possible during the COVID-19 pandemic, but over the past few months, he has participated in ZOOM meetings and rehearsals with his conductors. Kaleb plans to pursue a career in music education and we are very proud of his incredible accomplishments!
