The State Education Department's "School Emergency/Disaster Management Planning Guidelines – A Planning Manual" and the "School District Emergency Plan – Model" were used in developing this plan. The plan is developed in order to prepare for any emergencies that might arise at the school or within the community.

The School District's Emergency Planning committee is made up of: Thomas Simon - Superintendent of Schools, Lawrence Welty - Junior-Senior High School Principal, Lynn Corder - Elementary School Principal, Jeff Platt – District Emergency Coordinator, Transportation, Supplies, and Emergency Repairs; Pam Anderson - Assistant District Emergency Coordinator and Information; Paula Brooks - Food Supplies; and Karen Kent - Medical.

Students and employees will be notified of an emergency via an announcement over the public address system and/or ringing of the fire alarm. Depending on the type of emergency, one of the following actions may be taken: school cancellation, early dismissal, evacuation, and/or sheltering.

The following radio stations will broadcast information on emergency situations at Portville Central School: WMNS (AM)/WMXO (FM); WLSV (AM)/WJQZ (FM); WGGO (AM)/WQRT (FM); WHDL (AM)/WPIG (FM); and Channels 2, 4 & 7. Information will also be posted to the district website and Facebook page.

A copy of the District Emergency Plan is kept in the Superintendent's Office.

Welcome Back

Welcome to the 2022-2023 school year. I am excited and look forward to the positive energy that students and staff bring to the Portville Central School campus starting in September. We are currently in a time that comes with uncertainty, doubt, and consistent negativity surrounding a number of issues in our society. I can emphatically say that our students have pushed the negativity aside to perform at the highest levels. Overall, we have the best New York State Test results in the region. Our sports teams have reached unparalleled success. Students have a high participation rate in extracurricular activities, such as, plays, musicals, Trap Club, and International Club. Students continue to amass multiple credits in college courses by the time they graduate. I am often asked how PCS is able to sustain the level of achievements we are accustomed to. There is not one simple answer. BUT, we have unwavering support from the community and parents. Our faculty and staff are committed to getting the most out of their students. Most importantly, our students come to school with a positive mindset, where they strive to do better each and every day. Our student body will continue to be inundated with news and constant social media information. They will continue to have differing views from one another. And, many will hear that we are currently a society that has lost direction. Regardless, when our children enter the doors of PCS they will have an environment that exudes positive thought. Where they are able to grow intellectually. Where they can strive for greatness. We must keep pushing all of our children to strive for

2022-2023 School Year

The 2022-2023 School Calendar has been delivered in the mail. You will find pertinent information for the entire school year. Great effort is taken to ensure that the calendar of events is complete and accurate. For news, pictures, scores, lunch menus, and up to date scheduling throughout the year, visit our school website at www.portvillecsd.org or download the app Portville CSD.

School Day

This year our school day for grades 7-12 will begin with first period starting at **7:45**. Students will be dismissed from school at **2:27**. Included in the newsletter is a daily bell schedule. We will have period X two days out of the six day cycle. This will result in a different class schedule on days C and F.

New Faculty and Staff

Nathan Kloc has joined the faculty as our high school biology teacher. Nathan is a Portville alumnus. He graduated from Houghton College. Mr. Kloc resides in the Town of Portville. We are excited to have him back at PCS.

Rachel Nitsche joins the high school as an aide. She previously worked in the elementary. Ms. Nitsche will work with students at the 9th and 10th grade level. Rachel lives in Portville with her son Kaiden. We look forward to her working with our students in the high school.

Bussing

There will be an AM and PM bus run. If your child is riding to a different location they must have a note and it has to be preapproved at the Main Office.

Student Code of Conduct

The Portville Central School Code of Conduct can be found on the desktop of every child's lap top computer. It can also be accessed by going to the school website.

Front Entrance

When picking up your child or visiting during school hours there are 11 available parking spaces inside the front circle. The parking spaces should be used for brief periods of time. Please do not park in the bus circle during school hours. Upon entering the high school, you will be required to walk through the main office and sign in. Students that are being dropped off at the school in the morning must use one of three entrances at the front of the building (Gym Lobby, Auditorium Entrance, or Main Entrance). All other doors to the building will be locked.

Homeroom Listings

Homeroom listings will be posted on the school website, in the north gym lobby, and outside the high school main office.

Student Schedules

Student schedules can be viewed on student and parent portals through PowerSchool. A hard copy of the schedule will also be provided on the first day of school when students report to homeroom. Students may report to guidance for scheduling problems IF: Students are missing a Core class, missing a period on their schedule, or missing any necessary class for graduation requirements. Students wishing to add or drop courses must wait until September 12th. Forms will be available in guidance.

School Issued Laptops

Every child in grades 7-12 will receive a laptop. Students will have the computers for instructional use at both school and home. Students that are scheduled to receive a school issued computer laptop for the first time must sign a contract effective for their entire high school career. Parents are also required to sign a contract prior to their child receiving a laptop. The District will collect a one-

time \$25.00 insurance fee from every student. The insurance fee does not cover vandalism or gross negligence resulting in damage to a computer.

Envisioneering Center

As we continue to prepare students with skills necessary for college and the workplace, many of our children take advantage of our multi-use Envisioneering Center. Students are able to build, invent, create music, fabricate, and work on projects. We have staff members that are willing to assist with the use of technology and equipment. The Envisioneering Center is open to the public by appointment. For appointment contact Dave Suain at dsuain@portvillecsd.org.

David Waugh Fitness Center

Portville Central School's state of the art fitness center is used daily by our students in the physical education program and extra-curricular sports programs. We feel it is important for our community members to have the opportunity to stay fit by having access to the same state of the art equipment. The David Waugh Fitness Center is open to the public Monday through Friday from 5:00 to 7:30 PM.

Parent Portal

We will be providing students, as well as parents, secure on-line access to his/her schedule, academic progress, and attendance. This has the ability to improve communication between school and parents. If at any time the Parent Portal is not working properly please let us know so we can correct the issue. The Parent Portal is not intended to take the place of face to face meetings. If you wish to set up a meeting with any of your child's teachers we encourage you to call the guidance office. If you are new to the District or have never signed up for Parent Portal be sure to contact the Main Office so we can issue an id and password.

SUPA Classes

We will be entering our 12th year of partnership with Syracuse University. Students can currently gain up to 38 credits from Syracuse University during their high school career. The following courses will be offered: SUPA Spanish (4

credit hours - 2 semesters), U.S. History (6 credit hours - 2 semesters), Biology (8 credit hours - 2 semesters), Forensics (4 credit hours in Chemistry - 2 semesters), Calculus (4 credit hours - 2 semesters), Economics (3 credit hours - 1 semester/offered Fall and Spring), Psychology (3 credit hours - 1 semester/offered in the Fall), English Academic Writing (3 credit hours), and English Creative Writing (3 credit hours).

Release of Junior and Senior Directory Information

Upon request, military recruiters, institutions of higher learning, and other organizations are to have access to junior and senior student's names, addresses and telephone numbers. Parents have the right to refuse the release of this information. If you choose not to allow the school to release the requested information, please inform the Guidance Office, in writing prior to the last school day in September. If the District does not receive a response by Friday, September 28th, student information will be forwarded as requested. Notification, in writing, following the September date will halt any release from the date received.

Pesticides

School law requires that the District maintain, on an annual basis, a list of parents who wish to receive advance notice of pesticide applications at the school their child attends. To have your name included, a formal request must be submitted. Forms are available in the District newsletter or can be obtained by contacting the school.

Points of Emphasis for Grades 7-12 Attendance

In regards to attendance issues, we will focus from the beginning of the school year on written excuses, tardy students, and individual course attendance.

Tardies: Students who are tardy should arrive with a written excuse as to the reason for the tardy. If the student has none, then a written excuse should be brought in the following school day. Students with unexcused tardies will

receive disciplinary action.

Early Excusal: Students who are to be excused during the school day should take their written excuse to the nurse's office prior to first period. A parent is required to come into the office to sign their child out when a student does not have a written excuse. Parents are not to excuse their child by phone.

Absences: For students who were absent from school, a written excuse stating the reason should be taken to the nurse's office prior to first period on the day of return to school. When a student is absent, we ask that the nurse's office be notified prior to 8:00 am. This will save the nurse the time of contacting you and may prevent you from being interrupted at work. The High School Nurse's Office phone number is 933-6708.

Other Items: For additional attendance information, including the definition of excused absences and tardies, please refer to page 7 of the School Calendar

Electronic Device Policy

Students will not misuse personal electronic devices (cell phones, iPods, palms, mp3 players, etc) in classrooms, study halls, computer and science labs, the gym, library, testing areas, etc.

• **Cell phone usage will be allowed at personal lockers and during lunch. At all other times, cell phones must be off and out of sight.**

• Cell phones must be turned over to the instructor or proctor during testing situations. Cell phones will be returned at the completion of the exams.

• Personal listening devices are not to be used in the hallways.

Misuse of an electronic device during the academic day will result in the device being confiscated and a parent picking up the device. Repeated infractions will result in additional detentions or ISS. Refusal to hand over a cell phone will result in suspension.

Student Dress Code

During the month of September and the warm months of Spring many students wear shorts. Please check to make sure that your child's shorts are

Continued on next page...

Welty's World Continued...

half the length of their thigh. Tops must be long enough to cover a student's stomach and waist. It is much easier if this is addressed before leaving the house. Otherwise, students will be asked to call parents for a change of clothes and face disciplinary action for inappropriate dress. A full description of the dress code can be viewed in the student code of conduct.

Vaping and E-Cigarettes

Vaping and e-cigarettes have become a national epidemic among teenagers across the nation. We are making a concerted effort to educate our students on the dangers of using vaping devices. The following information is from the Student Code of Conduct:

E-11 in the Code of Conduct: Possessing or smoking a cigarette, electronic or fake cigarette, vape, cigar, or pipe. Possessing or using chewing or smokeless tobacco, as well as consuming nicotine in any form.

The consequence for first time offenders is an automatic **Two Days In School Suspension**. If a second violation occurs the consequences will be increased.

Student Driving Privileges

Licensed drivers in the 11th and 12th grade have the privilege of driving to and from school. To do so, they must register their vehicle with the main office. The cost to register and receive a parking permit is \$5.00.

Students have designated areas in which to park and once parked, students are not to return to their cars during the school day. Parking outside of designated student parking areas will result in an automatic detention. A school parking permit does not allow students to drive to BOCES. Driving to BOCES without permission from the principal will automatically result in a suspension. Failure to follow student driving rules may result in loss of privileges. A complete listing of regulations regarding student driving can be found on page 17 of the school calendar.

Cafeteria 'No Charge' Policy

This is a reminder that we have a "No Charge Policy" in effect in our school cafeteria. Our computerized registers and photo ID system afford the convenience to pre-pay on accounts much like a debit card. The website myschoolbucks.com can be used to prepay and track your child's account. Additional responsibilities of overseeing outstanding balances and trying to collect on debts takes time and ultimately will lead to increased prices.

Students that get a full or reduced price meal should; 1) pre-pay/maintain an account balance, or 2) bring money daily, or 3) bring a meal from home. Students who were approved for free or reduced meals for the 2022-2023 school year will continue their status for the month of September.

• Again, parents, and students will be

allowed to pre-pay on accounts. Charging will not be allowed.

• Should a student not have money in their account, pocket money, or a meal from home, that student will be afforded toast and juice for breakfast and a sandwich and milk for lunch. These will be provided at no cost to the student for a period not to exceed (10) ten school days.

• At no time will a student be allowed to go hungry.

• 2022-2023 School Year: Student Lunch- \$2.40, Student Breakfast- \$1.30

Free and Reduced Meal Applications

Applications need to be completed before free or reduced status can be determined. For the free or reduced meal status to continue, a new application must be received and approved before October 1, 2022. Please take the time to complete and submit an application even if you are not sure if you will qualify or even if you do not plan on taking advantage of the program. A number of funding sources such as State Aid and grants utilize the percentage of students eligible for free and reduced meals when determining allocations. In reality, the more students we have who are eligible, the more money the District could receive. Applications for the free and reduced program are included in this newsletter. If you need assistance, or have questions on eligibility, please contact Paula Brooks.

Notice for Transportation Requests

The deadline for transportation requests to non-public schools is **April 1, 2023**. Parents are reminded that written transportation requests for non-public schools must be received by April 1, 2023, to be eligible for the 2023-2024 school year. Send requests to:

FREE AND REDUCED PRICE MEAL APPLICATION FACT SHEET

When filling out the application form, please pay careful attention to these helpful hints.

SNAP/TANF/FDPIR case number: This must be the complete valid case number supplied to you by the agency including all numbers and letters, for example, E123456, or whatever combination is used in your county. Refer to a letter you received from your local Department of Social Services for your case number or contact them for your number.

Foster Child: A child who is living with a family but who is under the legal care of the welfare agency or court may be listed on your family application. List the child's "personal use" income. This includes only those funds provided by the agency which are identified for the personal use of the child, such as personal spending allowances, money received by his/her family, or from a job. Funds provided for housing, food and care, medical, and therapeutic needs are not considered income to the foster child. Write "0" if the child has no personal use income.

Household: A group of related or non-related people who are living in one house and share income and expenses.

Adult Family Members: All related and non-related people who are 21 years of age and older living in your house.

Financially Independent: A person is financially independent and a separate economic unit/household when his or her earnings and expenses are not shared by the family/household. Separate economic units in the same residence are characterized by prorating expenses and by economic independence from one another.

Current Gross Income: Money earned or received at the present time by each member of your household before deductions. Examples of deductions are federal tax, State tax, and Social Security deductions. If you have more than one job, you must list the income from all jobs. If you receive income from more than one source (wage, alimony, child support, etc.), you must list the income from all sources. Only farmers, self-employed workers, migrant workers, and other seasonal employees may use their income for the past 12 months reported from their 1040 Tax Forms.

Examples of gross income are:

- Wages, salaries, tips, commissions, or income from self-employment
- Net farm income – gross sales minus expenses only – not losses
- Pensions, annuities, or other retirement income including Social Security retirement benefits
- Unemployment compensation
- Welfare payments (does not include value of SNAP)
- Public Assistance payments
- Adoption assistance
- Supplemental Security Income (SSI) or Social Security Survivor's Benefits
- Alimony or child support payments
- Disability benefits, including workman's compensation
- Veteran's subsistence benefits
- Interest or dividend income
- Cash withdrawn from savings, investments, trusts, and other resources which would be available to pay for a child's meals
- Other cash income

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Transportation Rules and Guidelines

from PCS Transportation Supervisor: David Youngs

Please review the rules concerning dismissal for all students, both those who ride on a bus and those who walk.

BUS RULES:

The **bus driver has entire authority** while students are on the bus. Below is a list of school bus safety rules that all pupils should follow:

- 1) The student shall board the bus, take a seat and remain in it for the duration of the trip.
- 2) Books, lunch boxes and feet are to be kept out of the aisles.
- 3) Boarding and departing from the bus should be orderly.
- 4) No articles are to be thrown in or out of the bus.
- 5) Bus drivers may assign a definite seat to a student.
- 6) No unnecessary noise.
- 7) Wrongful conduct or foul language will not be permitted.
- 8) Students should always cross the road 10 feet in front of the bus, and only when directed by the driver.
- 9) Students may only have ONE destination in the morning and one in the afternoon. The district will create bus seating charts once these destinations are set. There will be no changing destinations unless it is a PERMANENT change.

ROUTE SCHEDULES:

The school day for students is 7:45 a.m. to 2:27 p.m. beginning Wednesday, September 6, 2022.

Buses will pick up Pre-K through 12 students between 6:40 a.m. and 7:30 a.m. Buses will depart the bus circle at 2:35 p.m.

All students in grades 4 through 12 who reside in the village are required to walk to school.

Because every year there are adjustments made to bus numbers, routes, and drivers, it is very important for the children to be at the bus stops a little early the first few days, so they don't miss their ride and so we can avoid delays in running our transportation routes.

Please be patient with our transportation program the first few days while we work out any bugs in the system. Safe and timely travel for your children is our top priority.

NO PASSING – IT'S THE LAW!

Remember that it is illegal to pass a stopped school bus with its red lights flashing. This is the time when students are getting on and off the buses. This includes buses parked in **SCHOOL PARKING LOTS AND PRIVATE ROADS**. People in violation of this law will be turned in to the proper authorities. The fine when you pass a stopped school bus ranges from a minimum of \$250 for a first violation to a maximum of \$1,000 for three violations in three years. If you are convicted of three of these violations in three years, your driver license will be revoked for a minimum of six months.

CONDUCT ON THE BUS:

The bus driver assumes the responsibility for the safety and welfare of the students riding school buses. If a student does not abide by the rules and regulations of bus transportation, then he/she could relinquish his/her privilege of riding the school bus. When misconduct occurs on the bus, the driver will report the incident through our "Bus Misconduct Report Policy" to the administration. The administration will follow up on the report and take the necessary action.

FOR ALL STUDENTS:

A written request (**NO PHONE CALLS**) from the parent must be sent to the school to cover any situation on the part of the student that is not ordinarily expected, such as:

- 1) Leaving with parents or relatives.
- 2) Going to music lessons, barber-shop, doctor, dentist, etc.
- 3) Remaining after school for an activity
- 4) Riding a bicycle.

If a student walks to school, the request should be given to the teacher. If the student rides a bus, he or she should show the request to the teacher and then give it to the bus driver. School authorities are responsible for bus children from the time they get on the bus in the morning until their departure in the afternoon.

BUSES EQUIPPED WITH CAMERAS

Each bus is equipped with four cameras -- three interior and one exterior. The exterior camera will record students crossing and cars approaching. Cars that pass the bus while their red lights are flashing will be easily identified. The three interior cameras will record both audio and video, giving us an opportunity to review student activity on the bus when issues arise.

A big shout out to the following students for submitting art work to the American Creative Patriotic Art Contest, representing VFW Post 1619 in Olean, NY.

The VFW Auxiliary started the Young American Creative Patriotic Art Contest in 1979 to recognize up-and-coming artists and encourage patriotism in youth.

The student art work is currently being displayed by the VFW, with Jessica’s piece still in the National Competition. Judging and announcements will occur in July.

**Welcome to the
2022-2023 school year!**

The first day of school for our students is scheduled for **Tuesday, September 6th**. We continue to plan and await guidance in preparing school for the upcoming 2022/23 year. Here are some updates for the coming school year:

- **Meet the Teacher Family Picnic:** This event is scheduled for **Wednesday, August 31st**. Stop in any time between **5 and 7pm**- enjoy a picnic dinner, visit your classroom and meet your new teacher, and, if you wish, drop off school supplies! The teachers will all be present and available to answer questions; however, we ask that you limit your stay, as we want to make sure the teachers have enough time to greet all of the children.

- **Classroom/Homeroom Assignments:** Student assignments to classrooms have been mailed to our Kindergarten through sixth grade students. Prekindergarten letters will be mailed out the week of August 15th.

- **Supply Lists:** Supply list documents can be found on the District's web page at portvillecsd.org, under the Documents tab. They are created by grade level for the coming year, which means all teachers at a grade level require the same materials.

We are planning for an amazing school year and are hopeful that we have turned a corner and things are somewhat back to a normal school year. We have reopened the Elementary Cafeteria for elementary students this year for grades 1st through 6th. PreK and Kindergarten students will continue eating in their classrooms. The PCS 2022/23 calendar has been mailed to all District families. I encourage you to use this tool to track important information, events, and activities at school.

I will also remind you that we are running our traditional start and end times for each school day. The After School YMCA Care will be available for families starting at 2:30 PM daily. Please contact the Olean YMCA at 716-373-2400 to register or if you have any questions about this program.

We are planning to continue our work across the school district in building resilient children/students, which is more important than ever given what we have lived through the past several years. This year we will be expanding our resiliency instruction from Kindergarten through 2nd grade. It is a program called Toolbox, which targets resiliency terms whereas the children learned to use tools such as breathing, personal space, empathy, garbage can,

and choosing our words to mention a few. We believe at PCS that the key to being resilient is to teach our children the basic fact that we are all in charge of our own thoughts, feelings, emotions and reactions. Granted at times this may be difficult, but what we believe is best for our kids is to provide them the tools to control these beliefs and their reactions. Learning to handle these encounters on their own, will provide them the skills necessary to better cope in their futures.

I also want to announce that we are planning to bring back Morning Program for our PreK-2nd grade students and families. This will occur and be announced later in the Fall after we have settled in to the year and are confident we are in a better place for health factors.

I want to end by saying how fortunate I feel to be a part of this school community. Our kids, families, staff and community members have persevered through the past few years and put our children's needs first. We are continuing to see academic gains as a District, which is a testament to staying focused on what matters the most, keeping our kids in person learning. I look forward to welcoming our staff and students back to school in September! I am thankful each day for my role as the elementary principal in supporting our school community and our collective commitment to this great school where "Pride Creates Success!"

Thanks for all you do!
~Lynn Corder

If you do not want Portville Central School to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the Portville Central School in writing by September 10, 2020. Sexual Harassment Policy

The Board of Education affirms its commitment to nondiscrimination and recognizes its responsibility to provide for all District students and staff, an environment that is free of sexual harassment and intimidation. Sexual harassment is a violation of law and stands in direct opposition to District policy. The Board prohibits and condemns all

forms of sexual harassment by employees, school volunteers, students, and non-employees which occur on school grounds and at all school-sponsored events, programs and activities. Generally, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communication of a sexual nature.

A copy of this policy is available upon request to the superintendent. Any questions regarding sexual harassment issues should be directed to the superintendent.

Gun-Free Schools Policy

No student shall bring onto school premises, or have in his/her possession on school premises, any "firearm" as defined in federal law. The word "firearm" is a very broadly defined word that includes any weapons that discharge projectiles, any "destructive devices" (e.g., explosives, incendiary, poison gas, bombs, grenades, rockets, etc.).

Very serious penalties are to be imposed on anyone found in violation of this Board of Education Policy. A copy of this policy is available upon request to the Superintendent of Schools. Any questions regarding this gun-free policy should be directed to the Superintendent of Schools.

Student Image Usage Notification:

From time to time, photographs, video, audio recordings or live-streams may be taken of your child during any number of activities in school, from sporting events to classroom happenings. These photos may be used in a school publication throughout the year.

If you do NOT want your child's photograph being used in any school publications, please notify the school at 933-7140.

Custodial Paperwork:

If you have custodial paperwork for your child, you should provide your child's school with a copy. Without the custodial paperwork on file, the school assumes that both parents have full rights. For your child's safety, if an order of protection exists, please submit a copy to your child's principal. If you are a non-custodial parent, who would like to receive information regarding your child's academics and invitations to parent-teacher conferences, you should submit an annual request to your child's principal.

Update Contact Information For Parents/Guardians:

If you have changed your address, phone number, or acquired a cell phone, please make sure to notify the school office so that we have up-to-date information.

ATHLETICS & TITLE IX

Athletics are an integral part of a well balanced educational program. Therefore, the PCS Board of Education supports within its resources a broad sports program with equal access for both males and females, with an emphasis on maximum participation, through interscholastic and intramural activity. The District will comply with recommendations from the U.S. Department of Education's Office for Civil Rights (OCR) regarding Title IX equal opportunity for males and females in the District's total athletic program.

Portville Central School's interscholastic athletic program shall conform to the Regulations of the Commissioner of Education as well as the established rules of the New York State Public High Schools Athletic Association and the State Education Department.

Additionally, the Board approves the use of the selection/classification process for all secondary school interscholastic team members. The Board directs the Superintendent to implement the procedures and maintain a file of those students deemed eligible as a result of those procedures.
