

SOUTH ELEMENTARY BOARD REPORT

January 2020

- On the last SIP day in December, the staff at South finished training on 17 positive behavior management strategies for classroom management. This Friday, the staff will learn about 6 Tier II, evidence based, intervention strategies and how to implement these strategies with fidelity.
- South Reports cards went home on January 10th and teachers have completed winter benchmark assessments.
- Recently, we have posted information and would like to encourage parents to sign up for Head Start and Pre-K screening that is scheduled for March 3rd through 6th at the Methodist church. Parents can call South School at 285-2431 to reserve an appointment. All prospective students are required to be screened.

Pittsfield High School

Student of the Month

December Student of the Month - Kate Hoover

Other nominees: Faith Baker, Kane Throne, Chloe Walston, Sadie Ruble, Anna Reed, Payton Frieden, Lauren Dunham, Noah Shannon, Emily Pursley, Ben Leppert, Breanna Seymour, and Avery Lewis.

Yearbook Award

The 2018-2019 Saukee Yearbook Staff tied for 1st place in the Overall General Excellence for School, Book, and Adviser in the Illinois Journalism Education Association Yearbook awards.

They earned a 1st in sports coverage, 1st in photography, 2nd in layout and design, 2nd in graphics, 3rd in divider pages, 3rd in coverage, 3rd in theme development, and they also received honorable mention in copy writing.

Mock SAT

There were 13 juniors that came in over break to participate in a full-length practice SAT.

On January 30th the junior class will complete another Mock SAT without writing.

Students in grades 9-11 continue test prep practice during the morning of our SIP days.

Nationwide Owl Award

Today, Mrs. Jody Heavner was recognized as a finalist for the 2019-2020 Golden Owl Award. The award is presented by Nationwide, Farm Credit IL, Compeer, IL FFA and Illinois Association of Vocational Agriculture Teachers. This annual award recognizes IL ag educators for their tremendous contributions in preparing the next generation of young people for successful careers in ag.

Our Spring Sports are right around the corner.

Start Dates

PHS Baseball: March 2nd

PHS Softball: March 2nd

PHS Track: January 20th - Indoor Season

PCS Track: March 2nd

PCS Administrative Report

January 15, 2020

Grades 6-8

- We had a great holiday break. Students and teachers enjoyed the time away from school. The kids came back a little tired and out of the routine, but have done a great job transitioning back to school. Report cards went home last week. Our 3rd quarter is off to a good start.
- We are in the middle of MAP testing. We have students who will finish up tests tomorrow, and possible make up testing on Friday. This mid-year benchmark gives us a good reference point as to how our students are progressing, and what changes we need to make.
- We have a SIP Day this Friday. We will have a meeting to discuss our Houses that go along with the Ron Clark Academy. We will give teachers information about each House and then they will have the opportunity to choose the House in which they would like to belong. Once we are done with our meeting, my science teachers are joining Mrs. Greger's science teacher to talk about science curriculum and vertical alignment. The rest of my teachers will work in their departments.
- We have had students come and go this first semester. Our current student count is as follows:
 - 8th grade – 97
 - 7th grade – 107
 - 6th grade – 102
- 8th grade students will be measured for graduation robes next week. This is always an exciting time for all of them!
- Our 6th grade basketball tournament, hosted by our PBIS team, is scheduled for February 8. The proceeds from the tournament go to pay for rewards throughout the year.
- The Dpod student of the month was Phantom Johns.
The following students were also nominated: Emma Henry and Lainey Cooley
- I have spotlight tonight and Mrs. Frieden is joining us to explain a couple of the intervention that we have in our building.

“A teacher affects eternity; he can never tell where his influence stops.”

Administrative Report January 15, 2020

- **PBIS** – Cool Tools Re-Boot Camp was held Monday, Jan. 6. Staff members reminded students of our behavioral expectations for the classroom, cafeteria, restroom, hallway, recess, library, morning routine, and pick-up procedures. Student council members also performed skits that reinforced these expectations. This is a great way to reset our behavior expectations after Christmas break.
- **DIBELS** – Teachers use the information from the DIBELS middle-of-the-year reading assessment to make adjustments to reading groups.
- **Grades** – The second quarter ended Dec 20, and grades were sent home Friday, Jan. 10.
- **MAP Testing** – Grades 3 – 5 are participating in middle-of-the-year MAP testing this week and next. We look forward to viewing the data from this test. It will be used in our collaborative meetings to drive instruction, curriculum, and interventions.
- **Middle-of-the-year math fact assessments**

	BOY	BOY	MOY	MOY		
	Multiplication	Division	Multiplication	Division	Multiplication	Division
Number Possible	64	64	64	64		
	Average Number Correct	Average Number Correct	Average Number Correct	Average Number Correct	Average Growth	Average Growth
