Dear Parent/Guardian of a BPS Student,

As part of your student's learning experience, Blaine Primary often presents audio and visual samples of their work for the community to enjoy! These include, but not limited to, individual classroom presentations, music and theater creations, Lip-Dubs, talent shows, field day celebrations, Bedtime With Books, celebration of success assemblies, etc

This release form covers all images, video or other media included in the making of this presentation and includes permission for Blaine School District to use the content in both current and future publications, including, but not limited to, print, website and social media.

You may at any time update this document if circumstances change, else this permission will remain in effect for the current **2023- 2024 academic school year.** Thank you!
