

Mt. Pulaski CUSD #23 Extra-Curricular Bus Procedures

It is our goal to provide all of our students in extra-curricular activities the safest and most accessible options for transportation; the pick up and drop off locations listed below help us to accomplish this in the most efficient way. Most importantly, our main focus will always be student safety first.

It will be expected that all students will ride the district provided transportation to all away events.

At the conclusion of the event students will be allowed to ride home with their parents/legal guardian as long as the following criteria are met:

1. Parents/legal guardians will be the only individuals allowed to sign a student out from riding the bus home after an event.
2. The coach must witness the parent/legal guardian signing the sheet.
3. The sign out sheet cannot be signed prior to the event, but must be signed at the conclusion of the event.
4. It is understood that the coach/sponsor reserves the right to require students to ride the bus home for any reason.

The following locations will be pickup and drop off points for all extra-curricular away events. Students will not be dropped off in Chestnut or Elkhart if their ride is not available when the bus arrives, and will be required to stay on the bus to Mt. Pulaski.
