School Annual Education Report (AER) Cover Letter

4/10/19

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Blesch Intermediate School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Scott Martin for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Report Link](#), or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Blesch Intermediate School has not been identified with one of these labels.

The school is in the process of installing the Blueprint Framework to best meet students' needs both academically and social/emotionally.

State law requires that we also report additional information. TO HAVE THIS LETTER MEET THE STATE REQUIREMENTS, EACH SCHOOL SHOULD PROVIDE A REPORT FOR THE **TWO MOST RECENT YEARS** ON THE FOLLOWING:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL
 1. All students grades 3-6 are assigned to this school building.
2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN
 1. The school is in the middle of implementing the 3-5 year school Improvement Plan.
3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL
 1. We currently do not have any specialized schools.
4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL
 1. A copy of the core curriculum and pacing guides can be obtained by contacting the Blesch Elementary Principal at 906-863-4466. Menominee Area Public Schools follows the State of Michigan established curriculum for all Core academic areas.

Language Arts and Mathematics have moved to Common Core Curriculum Standards. Consistent standards will provide appropriate benchmarks for all students. Copies of each grade level curriculum can be obtained by contacting the school office or Michigan Department of Education website at [Michigan Gov Website Link](#).

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS
 1. Blesch Intermediate School students are assessed multiple times during the school year on various mathematics and English Language Arts measures. Blesch students take M-Step assessments and results are listed in the AER. Access to this report can be located on the school website at [MAPS Website](#) or by obtaining a hard copy from the school office.
6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES
 1. Parent-Teacher conferences are well attended at Blesch Intermediate School. In the Fall of 2019, 87% of parents attended conferences.

Blesch Intermediate School is proud to serve as Menominee Area Public School's upper elementary school. We offer our students a quality comprehensive instructional program designed to meet the individual and diverse educational needs of all our students. One area of pride is our Differentiated Instruction program, which allows students to receive reading support at their instructional level for 30 minutes on a daily basis. The Blesch staff is highly qualified and dedicated to meet each of their students needs. They provide students with a well articulated curriculum, which is both rigorous and relevant as outlined in the Michigan Common Core State Standards. Grade level staff work together during common planning times to continue with curriculum development in all academic areas. Blesch Intermediate School is striving to constantly improve instruction to make learning fun and exciting in a safe and caring environment.

Sincerely,

Mr. Scott Martin, Principal
