4. COMMUNICATION

4.A. Superintendent's Update

4.A.1. Lt. Governor Hampton visits Blaine and Louisa Middle

As part of the attention that began last fall with Louisa Middle being recognized for their number one in the nation usage of the *Learning Blades* computer program, Lt. Governor Jenean Hampton visited both Blaine and Louisa Middle for a first-hand look. The *Learning Blades* program, made possible by the AEP Credit Counts grant, provides high interest missions that allow students to explore the multiple STEM careers that are related to each mission. STEM: Science, Technology, Engineering, and Mathematics. Dr. Fletcher noted that the Lt. Governor is interested in scheduling another visit.

4.A.2. Dr. Fletcher participates in legislative panel discussion at KEDC

Dr. Fletcher gave an overview of topics discussed at the recent Legislative Panel Discussion held at the Kentucky Educational Development Cooperative in Lexington, everything from finance-related items to school safety. He personally outlined the funding discrepancy for bus transportation that we experience in Eastern Kentucky because of the more frequent demand for tires and the more costly transmissions that our buses have to have because of the roads they travel. Pension reform was also part of tribunal discussions.

4.A.3. Special board meeting set for January 31st (finance and school dashboards)

A special meeting is scheduled for January 31, at LCHS, 6 pm, for review of the draft budget and for Academic Dashboard presentations by principals.

4.A.4. Alternative schools receive commendations and recommendations from Mr. Orman

Dr. Fletcher provided the report by Dan Orman, Training Coordinator, Kentucky Center for School Safety from his recent visit to the LC Alternative School and discussed both commendations and areas of concern contained in the report with commendations outweighing the concerns. Mr. Orman was impressed by the level of commitment by the staff to their students, the students' compliance and behavior, and the collaboration with other content area teachers. A concern identified was the expectation that students are on computers all day. The site visit and program review was requested by the district as part of the recent transition in leadership in the alternative school.

4.A.5. Grades 3-8 teachers participate in writing training with Angela Hilterbrand

In an effort to improve writing scores on state assessment, writing teachers are participating in on-demand writing training. Dr. Fletcher shared the implementation timeline and summary of the instructional plan that schools and teachers are following.

4.A.6. A special election is set for March 5th

To accommodate an upcoming special election on March 5 to fill the Senate seat vacated by Senator Ray Jones when he became the County Judge Executive of Pike County, schools will not be in session for students. However, staff and teachers will participate in a flexible professional development day requiring no addition of a school day to the end of the school year.

4.A.7. Dr. Fletcher receives confirmation on CDIP uploads

Dr. Fletcher thanked Chief Academic Officer, Dr. Webb, for her leadership in the Comprehensive District Improvement Plan development. He stated that her leadership was visionary but also included ensuring compliance with KDE requirements.

4.A.8. KSP Active Aggressor Training scheduled in January

Dr. Fletcher provided a schedule of the KSP trainings in all of our schools and thanked Mr. Hall for his work in organizing and communicating with the Kentucky State Police in this effort to provide a layer of security we hope will never have to be used. He expressed appreciation for the continued support of the Kentucky State Police.

4.B. Public Forum for the Annual Wellness Report: Nutrition and Physical Activity Report and Alliance for a Healthier Generation District Results Summary Report

Dr. Fletcher led discussion of the reports and an overview and plan provided by Food Service Director Cindy Hay for improvements to school nutrition and food services throughout the district. Improvements to the menus will be continued such as the addition of parfaits and smoothies for breakfast and weekly additions of homemade entrees such as soups and lasagna. More fresh fruits and vegetables using USDA Commodity money will be added next year, an increased from \$30,000 to \$50,000. Dr. Fletcher concluded by asking for comments from the audience and none were offered.

6.B. Superintendent Professional Growth and Evaluation System (SPGES) Update Dr. Robbie L. Fletcher, EdD

6.B.1. Review of Professional Growth Plan

Dr. Fletcher discussed his updated Professional Growth Plan noting that former Managerial Leadership goals dealing with the completion of the district facility plan have been accomplished. He added the Collaborative Leadership Standard with the objective of refining partnerships with colleges, universities, and local businesses to increase CTE opportunities for students and our transition readiness index. The Strategic Leadership Standard remains on the growth plan with ongoing goals of facilitating a personalized learning system for students as well as for teachers.
