

BARNEVELD SCHOOL DISTRICT

STAFF RECOGNITION

The Barneveld School Board recognizes that continued employment by staff members is desirable for the efficient operation of the Barneveld School District. Staff recognition is one means of honoring the longevity of district employees.

The following guidelines have been established for recognition:

1. Most school employee recognition activities will be conducted during the first inservice days of a new school year.
2. Staff members will be recognized for every five years of service.
3. Staff members include teachers, aides, clerical, custodial, maintenance, coaches, food service, and transportation staff.
