Dear Sandite Families,

Leadership is aware of a potential threat written on a note and found in a bathroom at Clyde Boyd Middle School. The district is in close contact with law enforcement, and **this is NOT believed to be a credible threat**. However, the district will be on heightened alert tomorrow, and there will be additional police presence out of an abundance of caution.

Sand Springs Public Schools regularly reviews school safety protocol, and our staff members are trained in safety procedures including threat assessment. We ask that parents and guardians keep a close eye on their student's behavior, both online and in person. If you would like to report a safety concern, please contact your school via phone, email, or the STOPit app.

Thank you for your cooperation and understanding as we work to ensure a safe learning environment for our students.

Sincerely,

Sherry Durkee

Superintendent
