Hello all!

We made it through an interesting weather week, with, as promised, no school closures!

- Trent and I attended a TIF Review Meeting today at the Village offices along with officials from almost all other taxing bodies. This meeting was about the new downtown RIF/redevelopment area. This is an area in great need of upgrading/redevelopment. I personally learned quite a bit about the criteria for TIF's such as this, and the area in the TIF strongly meets all criteria. This TIF will be different from the current TIF we are in. Currently, in a rather unique arrangement, we receive "flow through" dollars from the current TIF. (This TIF is set to expire in the new few years... The new TIF does not include flow through dollars for taxing bodies.

Stay safe this weekend, we are going to make the final call on all events for this weekend at 1 p.m. today but I do not foresee hosting anything or sending kids anywhere.

Give me a call if you have questions or concerns about anything—thank you!

Lindsey A. Hall, Ed.D.
