

Teaching Position – Middle School Science Teacher

Primary purpose:

Ovid-Elsie Area Schools seeks an experienced and innovative educator to teach middle school Science. We are looking for an educator that has a solid foundation in Science with a Bachelor's Degree or higher. We seek an individual who is confident developing engaging and rigorous curriculum that meets the varied needs of students in his/her class.

The ability to establish effective rapport with students; to motivate students to develop skills, attitudes and knowledge needed to provide a good foundation for continuing education in accordance with each student's ability; to establish good relationships with parents and other staff members.

Responsibilities:

A middle school science teacher at Ovid-Elsie Area Schools reports directly to the building principal. This person is also critical in team planning and department meetings.

Duties of this job include, but are not limited to:

- Provide Science education for Ovid-Elsie Middle School Students.
- Knowledge of Michigan Science Standards. Modeling Instruction/Guided-Inquiry experience preferred.
- Instructional planning for the classroom and delivery or direction of instructional activities.
- Provide opportunities for individualized and small group instruction adapting the curriculum to the needs of each student.
- Establish and maintain standards of the student behavior needed to provide an orderly, productive classroom environment.
- Develop, provide, and utilize instructional plans, strategies, methods, materials and techniques that best meet the needs of students.
- Communicate appropriately and effectively with parents, both in writing and verbally.
- Participate as part of a work team and work effectively with colleagues.
- Adhere to all building and district policies regarding attendance business procedures, safety, professionalism, and personal appearance.
- Maintain student records, student achievement, and attendance using district approved technology, maintain confidentiality.
- Understand the 5D evaluation rubric.
- Utilize data and the process of how to use a Student Learning Objective.
- Other duties as assigned by the building principal.

Qualifications:

- A Bachelor's Degree in a related subject from an accredited university.

- Michigan Teacher Certificate and Highly Qualified Status.
- Valid Michigan Teaching Certification, DX preferred. DI, DE or DP will be considered
- Additional certification(s) to teach other Science(s) or Math preferred
- First Aid and CPR.

Salary and Benefits:

Based on the Ovid-Elsie Education Association contract. Successful candidates will be eligible for medical, dental, vision and life insurance coverage, as well as illness and vacation days.

Application Process:

Interested applicants should submit a letter of interest and resume to:

Dr. Wayne Petroelje, Interim Superintendent
