ASSESSMENT OF CURRENT WORKFORCE: UTILIZATION ANALYSIS

The Sanford School Department shall periodically assess the numbers of minorities, women and persons with disabilities in its workforce, and determine where imbalances exist. Such assessment will determine whether there is underutilization of a particular gender or minority or of persons with disabilities in different job categories in the school unit.

The term “underutilization” is defined by the Office of Federal Contract Compliance as having fewer minorities or women in a particular job classification than would reasonably be expected by their availability in the job market where an employer can reasonably expect to recruit new employees. In determining whether under utilization in the workforce exists, the school unit shall consider relevant local work force statistics, the school unit’s workforce profile, the nature and validity of its job classifications, and the number, frequency and category of vacancies.

GOALS, PROCEDURES AND TIMETABLES

If an assessment determines that imbalances exist in the Sanford School Department’s workforce with respect to numbers of minorities, women and persons with disabilities, the school unit will develop realistic goals for necessary action and related procedures and timetables for correcting such imbalances.

The following goals, procedures and timetables have been adopted to increase the representation of minorities, women and disabled at all levels and in all segments of the Sanford School Department’s workforce where imbalances exist:

1. **Recruitment:** It is the intent of the Sanford School Department to ensure equal access to all employment opportunities.
Goal/Objective: the Sanford School Department will make continued efforts to recruit all segments of the population in the State of Maine, including women, minorities and the disabled.

2. **Selection:** hiring of personnel is done through established policies and procedures, with interviews being monitored by the Affirmative Action Officer for compliance with the Affirmative Action Plan.
Goal/Objective: When vacancies arise in job classifications where women, minorities or the disabled are underrepresented, the Affirmative Action Officer will review interview questions prior to contacting candidates to ensure that the school unit presents an equal employment opportunity. **Responsibility:** Affirmative Action Officer. **Timetable:** Ongoing.
3. **Wage and Salary Standards:** Job classifications and wage and salary standards are based solely upon the knowledge, skills, and abilities required by the position.
Goal/Objectives: Creation of new or upgrading of existing job classifications will be discussed with the Affirmative Action Officer prior to implementation. **Responsibility:** Superintendent.
Timetable: Ongoing.
4. **Complaint Procedure:** Internal and external complaints of discrimination will be treated seriously and promptly by the Sanford School Department.
