

BOE Policy - Section 5-127 - Attendees at MPCUD #23 Events

Students, family members, community members and attendees at school functions and events often take and publish photos and other recordings of students without coordinating or requesting permission from school personnel. It is possible a MPCUD #23 student could appear in a third party's photos and other recordings on social media. MPCUD #23 is not responsible for the use of any students' likeness (photo, voice, video, etc...) that appears in such postings.

We ask that attendees at MPCUD #23 events follow simple guidelines to protect student confidentiality and safety when posting to online or to social media:

- 1) Do not tag or list student names on posts.
- 2) Any photo taken by a company is copyrighted and should not be posted.
- 3) Obtain permission of a child's parent/legal guardian prior to posting pictures from school/classroom events. For your own protection, documentation of this permission (handwritten note, copy of an email message, etc...) should be obtained.
- 4) Pictures should not be taken at school for the sole purpose of posting online.
- 5) Student photos are not to be used to promote a business of any kind.
