

NEW ENGLAND TIGERS

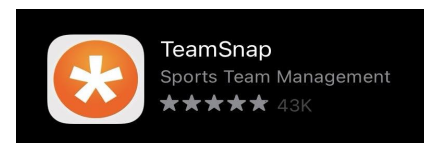

4-5-6 GIRLS BASKETBALL

Hello!

We are looking forward to the upcoming basketball season and wanted to send some basic information to help clear up any potential questions anyone may have. We start practice on Thursday, August 17. All girls playing must have a sports physical turned into the office by the first day of practice.

There is a copy of our schedule attached. As any schedule can be, this is tentative. There are occasionally some cancellations and games that get rescheduled. If and when that happens we are going to primarily be communicating through the TeamSnap app. If you do not already have it, we will be sending an invite through this app in the next couple of days so please look for that link in your e-mail. Here is what the app itself will look like. You can download the app from the app store.

It's a convenient and simple means of communication to keep everyone on the same page.

Everyone will need to bring and be responsible for their own personal belongings (basketball clothes, basketball shoes and a water bottle).

Practices will primarily be in the old gym, starting at 3:30 and lasting until 5:00. If there are any practice cancellations or changes, we will communicate all necessary information through the TeamSnap app.

We are looking forward to a fun season!
Our cell phone numbers are included for emergency use.

Thank you!
