In Memoriam

We dedicate the Tiger Roar in memory of Miss Blanche Perkins. Her death came as a great shock to everyone in the community. Miss Perkins had taught English, speech, drama, and Latin at CCCHS for the past 27 years. She was graduated from Baker University and was a member of the Phi Mu social sorority. Miss Perkins was also an active member of the Clay Center Methodist Church, the Wesleyan Service Guild, the Eastern Star, P.E.O., Business and Professional Women's Club, Delta Kappa Gamma, and the Alumni Council of Baker University. She was also noted for her fine leadership of the Clay Center chapter of Kayettes. Her willingness to help and her generosity with her time, along with her quick thinking, made her a valuable member of the school and of the community.

Student Council Aims High

The Student Council officers for the 1968-69 school year are Danny Heeren, president; Phil Brenner, vice-president; Jo Gardner, secretary; and Paul Lane, treasurer.

The main purpose of the Student Council is to promote student government. The Student Council has many other functions. One of them is putting announcements on the Activity Board, which is new to our school this year. Arrangement and organization of Football Homecoming and Queen of Courts activities are annual projects of the Stu-Co members.

The Student Council has had a very successful year under the fine leadership of Mr. Lane, sponsor of the organization.

The Girls Booster Club has shown its spirit by the hard work it has done this year. The girls made signs, run-throughs, decorated goalposts, participated in skits, and were present at every game to cheer on the "Mighty Tigers." The club's membership was in the neighborhood of 220 girls. There were about 44 seniors (including 16 Honor Pep members), 49 juniors, 56 sophomores, and 71 freshmen.

The club got new uniforms this year. They consisted of black jumpers with white turtlenecks. The Honor Pep's jumpers were orange rather than black. The "spirit stick" was a new addition to the club this year. It was awarded to the most spirited class of each month. The "stick" served as an incentive to each class to drown out the others. The new uniforms and the "spirit stick" both contributed to raising and promoting spirit and enthusiasm.

Promote Spirit

The Boys Booster Club was originally formed to help support our athletic teams and cheer them on to victory. Now they have expanded this one activity into several other fields of endeavor, such as the autumn Slave Day or the Christmas Twirp dance. They have a stag picnic for the members in the spring. For the last three years they have donated part of the Club's funds to the American Field Service student and have provided the money to send a boy to the Fellowship of Christian Athletes camp. The requirements to join are to pay regular club dues, which is usually fifty cents, and to have a warm body on hand so you can cheer for the teams at games. The regular membership records run around 150 students (give or take 10).

ARLON MEEK lost his head over being chosen the Boys' Booster Club Mascot.

The Kansas Association for Youth is a service organization which promotes religion, personality, leadership, service appreciation, and recreation. Some of their projects include: special assemblies for Thanksgiving, Christmas, and Easter, faculty appreciation projects, American Field Service, CARE, Save the Children Federation, Meals for Millions, and Stamps to buy milk for children in Nigeria. The Kayettes have also taken on a new project of sending \$10.00 a month to an underprivileged child in Kentucky.

Tigers Build Character

It was a disappointing season for Head Coach
Myron "Mike" Rogers and his fighting Tigers. Al-
though they won only one game and lost eight, the
team never lost its spirit. The Concordia game seemed
to typify the season. The Tigers were only a foot
from winning. The highlight of the season was our
victory over Marysville in the first game.

Wrestling Sparks Spirit.

During the course of a new season, Coach Fraser developed a new breed of wrestlers - the Tigers. In his first year at CCCHS he took several wrestlers and made them champions. Thesisix wrestlers pictured above are Champions in their own right. Those in the picture are Mike Crimmins, Ed Donley, Greg Close, Bob Carlson, Phil Martin, and Rodney Spellman. Crimmins took first in the Invitational, third in CKL, third in Regional, third in District, and fourth in State. Donley took first in Regional, District, CKL, and the Clay Center Invitational, also second in the State. Close took first in the Invitational. Carlson was second in Invitational, and District, and third in Regional. Spellman took second in District, third in Invitational and fourth in Regional and State. Martin took first in Invitational, second in Regional, and third in District.

State 10th Pla	се

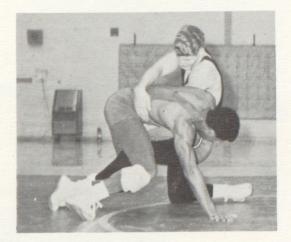

Here Ed Donley goes for a stack-pinning combination.

Rodney Spellman (above) tries to break his opponent to the mat.

Donley takes a breather while on his way to a CKL Championship.

Bob Carlson pauses for a moment to show how he can ride an opponent.

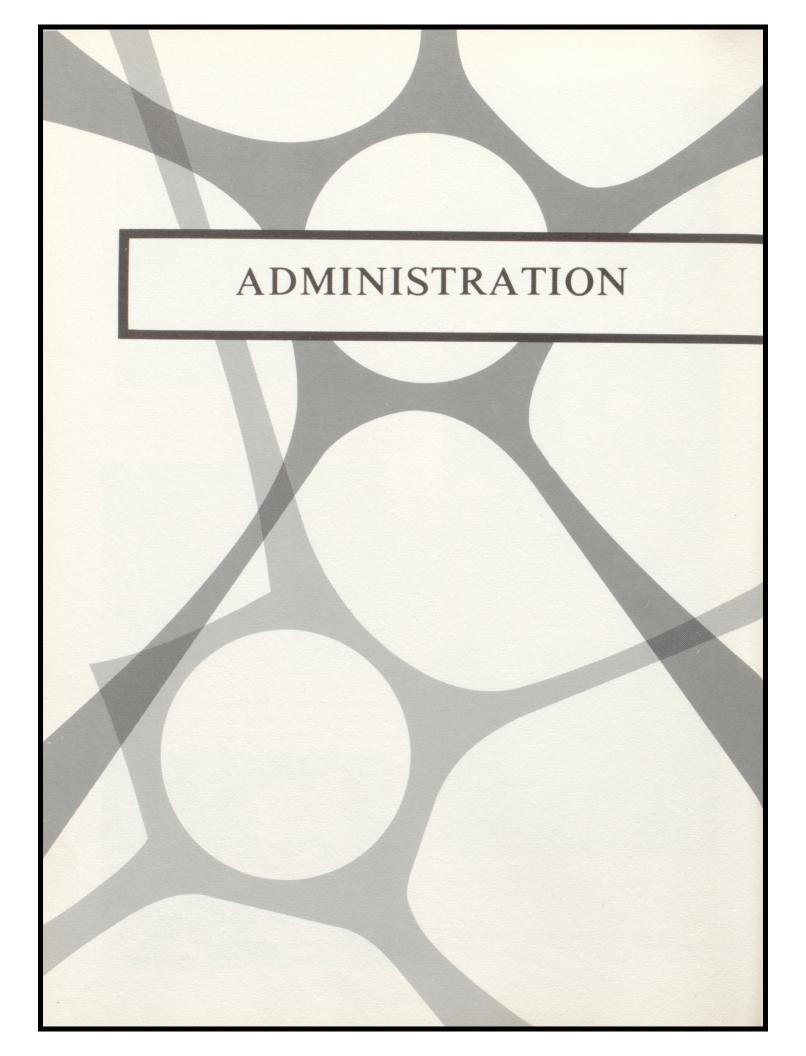

Crimmins switches his opponent for a two point reversal.

In this picture Phil Martin attempts to cradle his opponent.
