Parts Manager, Mechanic and Mechanic helpers shall receive \$2,000.00 additional compensation on the base pay for the first certification related to their position. Each additional certification related to their position shall receive \$1,000.00 additional compensation on the base up a maximum of three (3) licenses. Certifications shall be on file in the Human Resources Department no later than September 15 in order for the employee to receive compensation for the fiscal year. Failure to meet this deadline shall result in a one year delay for credit on the pay schedule, and the credit shall not be retroactive to the previous year. CDL's are a requirement of the position and are not considered additional certifications. All contracted bus drivers will be compensated 3% per year for a maximum of 5 years for prior and/or in district verified contracted School Bus driving experience.
